REPORT

OF AN EXAMINATION AND AUDIT

OF THE ACCOUNTS

OF THE

CITY OF NASHUA

FOR THE FISCAL YEAR ENDED

DECEMBER 31, 1958

THE DIVISION OF MUNICIPAL ACCOUNTING

STATE TAX COMMISSION

April 28 - May 14, 1959

April 28 - May 14, 1959

DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

June 8, 1959

To the Mayor and Board of Aldermen
Nashua, New Hampshire

Gentlemen:

Submitted herewith is the report of an examination and audit of the accounts of the City of Nashua for the fiscal year ended December 31, 1958, which was made by this Division in accordance with your request. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

The accounts and records of all city officials charged with the custody, receipt and disbursement of city funds were examined and audited. An examination was made of a sufficient number of vouchers, payrolls and cancelled checks to satisfy the requirements of accepted standards of audit procedure. Receipts were checked by source insofar as possible. Book balances were verified by comparison with reconciled bank balances made from statements obtained from depository banks. Verification of uncollected taxes was made by mailing notices to taxpayers whose accounts appeared to be delinquent according to the Collector's records.

Comparative Balance Sheets (Revenue Accounts) - December 31, 1957 - December 31, 1958 (Exhibit A-1)

Comparative Balance Sheets (Revenue Accounts) for the fiscal years ended December 31, 1957 and December 31, 1958, are presented in Exhibit A-1. As indicated therein, the Surplus increased by $8,287.97, from $144,726.80 to $153,014.77 in 1958.

Analysis of Change in Current Financial Condition (Exhibit B-2)

An analysis of the change in the current financial condition of the City during the year is made in Exhibit B-2, with the factors which caused the change indicated therein. These were as follows:

Increase in Surplus

Net Budget Surplus	$ 92,536.05	
1953 Overlay Written Off	12,872.97	
Taxes Redeemed—Previously Charged Off	14.67	
		$ 105,423.69

Decrease in Surplus

Surplus Used to Reduce Tax Rate	$ 85,000.00	
Supplemental Appropriation from Surplus	7,150.00	
1953 Taxes Written Off	3,799.09	
Refunds of Overpayments	1,154.56	
Bond & Debt Retirement Payment to State	32.07	
		97,135.72
Net Increase		$ 8,287.97

Increase in Bonded Indebtedness:

The bonded indebtedness of the City (including School loans) increased by $56,000.00 in 1958, as shown herewith:

	Bonded Debt December 31, 1957	Bonds Issued in 1958	Bonds Retired in 1958	Bonded Debt December 31, 1958
Sewer, Health & Sanitation Loans	$ 100,000.00	$	$ 15,000.00	$ 85,000.00
Widening Main & Water Streets		210,000.00	25,000.00	185,000.00
Public Improvement Loans	41,000.00		11,000.00	30,000.00
Fire Equipment Loans	18,000.00		3,000.00	15,000.00
Parking Area Loan	30,000.00		15,000.00	15,000.00
School Loans	1,159,000.00		85,000.00	1,074,000.00
	$1,348,000.00	$210,000.00	$154,000.00	$1,404,000.00

Statement of Bonded Indebtedness: (Exhibit W)

A statement of outstanding bonded indebtedness as of December 31, 1958, showing annual debt service requirements, is contained in Exhibit W.

Comparative Statements of Appropriations and Expenditures - Estimated and Actual Revenues: (Exhibits D & E)

Comparative statements of appropriations and expenditures, estimated and actual revenues for the fiscal year ended December 31, 1958, are presented in Exhibits D and E. As indicated therein, a net unexpended balance of appropriations of $71,433.07, plus a revenue surplus of $21,102.98, resulted in a net budget surplus of $92,536.05.

Tax Collections:

Tax collections (exclusive of State Head Taxes) of the current year's levy, as compared to taxes assessed, for the years of 1957 and 1958, were as follows:

	Levy of 1957	Percent	Levy of 1958	Percent
Taxes Assessed—Current Year's Levy	$3,282,776.07		$3,638,906.79	
Taxes Collected—Current Year's Levy	$3,046,631.98	92.8%	$3,344,487.46	91.9%
Taxes Abated—Current Year's Levy	11,829.72	.4%	9,763.50	.3%
Uncollected Taxes—Current Year's Levy	224,314.37	6.8%	284,655.83	7.8%
	$3,282,776.07	100.0%	$3,638,906.79	100.0%

Conclusion:

The accounts of the city officials and departments which we examined were found in good condition and the accounting and financial procedures conformed to accepted methods. We extend our thanks to the officials of the City of Nashua and their office staffs for the assistance rendered during the course of the audit.

Yours very truly,

HAROLD G. FOWLER, *Director*
Division of Municipal Accounting
State Tax Commission

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the City of Nashua for the fiscal year ended December 31, 1958, and found them to be in good order. In our opinion, the Exhibits included herewith reflect the true financial condition of the City on December 31, 1958, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

HAROLD G. FOWLER, *Director*
Division of Municipal Accounting
State Tax Commission

Joseph W. Boudreau

RESOLUTIONS
PASSED BY THE
BOARD OF ALDERMEN
1 9 5 8

RESOLUTION
ADOPTING RULES AND FIXING THE TIME FOR HOLDING REGULAR MEETINGS
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

That the Rules of the Board of Aldermen for 1952 be and the same are hereby adopted for 1958 and 1959, and that the time for holding regular meetings will be on the second and fourth Tuesdays of each month, as provided by Ordinance, at eight o'clock in the afternoon.

Passed January 1, 1958
WILFRED PELLETIER
President

Approved January 1, 1958
MARIO J. VAGGE
Mayor

RESOLUTION
AUTHORIZING THE MAYOR, TREASURER AND FINANCE COMMITTEE TO BORROW MONEY IN ANTICIPATION OF TAXES
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

That pursuant to Section 9, Chapter 33, of the Revised Laws annotated of New Hampshire, 1955, the Mayor, Treasurer and Finance Committee are authorized to incur debts from time to time during the Municipal fiscal year beginning January 1, 1958 to an agregate amount not exceeding Two Million Two Hundred Fifty Thousand Dollars for Temporary Loans in anticipation of and payable from the taxes of the said year and to issue therefor notes of the City signed by the Mayor and Treasurer and certified by THE FIRST NATIONAL BANK OF BOSTON and to renew the same by the issue of other like notes, but all notes issued hereunder shall be payable within one year after the date when the debt represented thereby was originally incurred.

Passed January 1, 1958
WILFRED PELLETIER
President

Approved January 1, 1958
MARIO J. VAGGE
Mayor

RESOLUTION
ADOPTING RULES PERTAINING TO REGULAR MEETINGS OF THE BOARD OF ALDERMEN CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

That every item of business except Petitions to be transacted at the regular meetings of the Board of Aldermen shall be submitted to the City Clerk no later than 5:00 P. M., on the Thursday prior to its regualr meetings, and a copy of said items shall be delivered to each member of the Board of Aldermen at least seventy-two hours before its regular meetings. That all Resolutions and Ordinances shall be endorsed before delivery to the Board of Aldermen, and that the names of the endorser shall appar on all Resolutions and Ordinances delivered to the Board of Aldermen.

Be it further resolved that the Resolution, entitled, "Requiring Finance Committee and all Standing Committees of the Board of Aldermen to prepare minutes of its meetings for the Board of Aldermen, City of Nashua," approved February 24, 1954, be amended by striking out the words "or have submitted by the City Clerk a copy of these minutes of each member of the Board of Aldermen at least seventy-two hours before each regular meeting of the Board following the meeting or meetings of the Committee" in the fourth, fifth, sixth and seventh lines and substituting therefore the words "to the City Clerk no later than 5:00 P. M., on the Thursday prior to its regular meetings, and a copy of said minutes shall be delivered to each member of the Board of Aldermen at least seventy-two hours before its regular meetings," so that said Resolution shall read as follows:

"That the Finance Committee and all Standing Committees of the Board of Aldermen by their respective Clerks, shall henceforth keep a record of all business coming before it, shall transcribe the minutes of its meetings and submit to the City Clerk no later than 5:00 P. M., on the Thursday prior to its regular meetings, and a copy of said minutes shall be delivered to each member of the Board of Aldermen at least seventy-two hours before its regular meetings."

RESOLUTION
AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE, TO CONVEY CERTAIN REAL ESTATE ON OLD DUNSTABLE-HOLLIS ROAD CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey, for and in consideration of One Dollar ($1.00) to Susan J. Patton and Roscoe E. Patton, as joint tenants with right of survivorship, of Nashua, County of Hillsborough and State of New Hampshire the following described real estate:

A parcel of land 12½' wide and approximately 800' long abutting the north line of Lot #3—Assessor's Farm Sheet "D" between Main Dunstable Road and Route 111-A

Meaning and intending to describe the southerly half of Old Dunstable-Hollis Road discontinued January 8, 1957.

March 11, 1958

TO THE HONORABLE BOARD OF ALDERMEN:

Gentlemen:

Under the provisions of Section 7 Chapter IV of the Revised Ordinances of the City of Nashua (1950), I submit, herewith, my recommendations for the necessary amount of money which should be appropriated for the several departments and other needs of the City of Nashua for the year 1958; and, for the purposes of Section 3 Part 1 of Chapter VII of the Revised Ordinances of the City of Nashua, each item of this budget shall be considered as a separate appropriation.

For convenience, account numbers have been assigned to each item of the budget. When a department makes an expenditure, it will be charged on their books to their appropriate account number. All departments will make regular monthly reports to the Mayor's Office of their monthly expenditures and unexpended balances under each item. These reports will be consolidated on a master sheet and kept on file in the Mayor's Office for the convenience of the Finance Committee and inspection of the Board of Aldermen.

Each department has been given a different key alphabetical letter to identify its own individual itemizations. In order that comparisons may readily be made between departments of their expenditures for comparable items or to determine easily total City spending for certain specific items, the account numbers are uniform. There are 18 standard items, some of which appear in the budgets of all departments. These standard items all carry the same account numbers throughout all departments. Within any one or more of these standard breakdowns there may be further subdivisions

which are indicated by the decimal point and additional numbered classifications. Any item listed after 18 is not one found in the other departments, thus all items beginning with 19 are peculiar to the department concerned. The key for the standard account numbers is as follows:

Acct. No.	Items
1	Payroll
2	Telephone
3	Electricity
4	Water
5	Insurance
6	Postage
7	Office Supplies & Services
8	Printing
9	Building Supplies & Services
10	Building Repairs
11	Heating Fuel
12	Miscellaneous
13	Gasoline
14	Oil & Lubricants
15	Tires and Tubes
16	Auto Repairs, Parts & Supplies
17	Exchange of Vehicles
18	Medical

RESOLUTION
RELATIVE TO OLD AGE AND SURVIVOR'S INSURANCE
(Endorsed by — Alderman LaFlamme)
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight
RESOLVED, By the Board of Aldermen of the City of Nashua
That the Resolution, entitled, "Relative to Old Age and Survivor's Insurance," approved December 26, 1957, be amended by striking out Section 2 which reads as follows: "All City Officials, with the exception of the legislative and judiciary officials" and substituting therefore,
"2. All other City employees and officials with the exception of popularly elected legislative and judicial officials."

RESOLUTION
IN RELATION TO THE COLLECTION OF POLL TAXES
(Endorsed by Ald. James R. Griffin)
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight
RESOLVED, By the Board of Aldermen of the City of Nashua

That the Collector of Taxes be and hereby is authorized to forward during the month of July 1958, a notice to each and every Poll Tax payer of the CITY OF NASHUA notifying each Poll Tax Payer that the poll tax for 1958 must be paid on or before August 1, 1958, and for all poll taxes not paid by said date to charge costs amounting to twenty (20) cents for said notice, for said notice to consist of the publication of this Resolution in the newspapers of this City in three separate issues during the month of July,

and RESOLVED further that the Collector of Taxes be and hereby is authorized to proceed to distrain for all poll taxes not paid by the first day of August 1958.

RESOLUTION
RELATING TO CITY PENSIONS AND SUPPLEMENTARY CITY PENSIONS FOR THE POLICE DEPARTMENT
(Endorsed by Ald. Francis LaFlamme)
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight
RESOLVED, By the Board of Aldermen of the City of Nashua

That City Pensions and Supplementary City Pensions granted annually under the jurisdiction of the Board of Aldermen to the Police Department based on one half the average yearly salary or wage earned by the pensioner during the period of his last year of service and that said pension represent the difference between the State Retirement Allowance and one half of the wage earned.

RESOLUTION
GRANTING A PENSION TO EDGAR DUVARNEY
(Endorsed by Sylvio A. Gagnon)
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight
RESOLVED, By the Board of Aldermen of the City of Nashua

That pursuant to the provisions of Section 57, Chapter 31, of the Revised Statutes Annotated of the State of New Hampshire as adopted by a Resolution passed August 14, 1951, and in accordance with Part IV, Chapter VII of the Revised Ordinances of the City of Nashua, a pension in the amount of Nine Hundred Twenty-Five Dollars and Thirty-Two Cents ($925.32) annually be and is hereby granted to Edgar DuVarney, a former employee of the Nashua Police Department having served twenty-one years on said Department.

Be it further resolved that said pension be paid monthly at the rate of Seventy-Seven Dollars and Eleven Cents ($77.11) effective April 1, 1958.

RESOLUTION
AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO FILE AN APPLICATION WITH THE UNITED STATES OF AMERICA FOR AN ADVANCE RELATIVE TO SEWERAGE AND SEWERAGE TREATMENT (INTERCEPTING SEWERS AND SEWAGE TREATMENT PLANT)

(Endorsed by Mayor Mario J. Vagge)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the City of Nashua herein called the "Applicant", after thorough consideration of the various aspects of the problem and study of available data has hereby determined that the construction of certain public works, generally described as Salmon Brook intercepting sewer South Merrimack intercepting sewer and sewage treatment plant, representing Stage I of overall plan for sewerage and sewage treatment recommended by Camp, Dresser & McKee, Consulting Engineers in "Report on Sewerage and Sewage Treatment for the City of Nashua, New Hampshire," dated July 7, 1958 is desirable and in the public interest and to that end it is necessary that action preliminary to the construction of said works be taken immediately; and

WHEREAS, under the terms of Pubic Law 560, 83rd Congress, as amended, the United States of America has authorized the making of advances to public bodies to aid in financing the cost of engineering and architectural surveys, designs, plans, working drawings, specifications or other action preliminary to and in preparation for the construction of public works; and

WHEREAS, the applicant has examined and duly considered such Act and the Applicant considers it to be in the public interest and to its benefit to file an application under said Act and to authorize other action in connection therewith;

Now, Therefore, Be it Resolved by the Board of Aldermen the governing body of said Applicant, as follows:

1. That the construction of said public works is essential to and is to the best interests of the Applicant, and to the end that such public works may be provided as promptly as practicable it is desirable that action preliminary to the construction thereof be undertaken immediately;

2. That Hon. Mario J. Vagge, Mayor be hereby authorized to file in behalf of the Applicant and application (in form required by the United States and in conformity with said Act) for an advance to be made by the United States to the Applicant to aid in defraying the cost of plan preparation for the above described public works, which shall consist generally of preparation of final plans and specifications for Salmon Brook intercepting sewer, South Merrimack intercepting sewer and sewage treatment plant, representing Stage I of overall plan for sewerage and sewage treatment recommended by Camp, Dresser & McKee, Consulting Engineers, in "Report on Sewerage and Sewage Treatment for the City of Nashua, New Hampshire, dated July 7, 1958.

3. That if such advance be made the Applicant shall provide or make necessary arrangements to provide such funds, in addition to the advance, as may be required to defray the cost of the plan preparation of such public works;

4. The said Mayor Vagge is hereby authorized to furnish such information and take such other action as may be necessary to enable the Applicant to qualify for the advance:

5. That the officer designated in the preceding paragraph is hereby designated as the authorized representative of the Applicant for the purpose of furnishing to the United States such information, data, and documents pertaining to the application for an advance as may be required; and otherwise to act as the authorized representative of the Applicant in connection with this application.

6. That certified copies of this Resolution be included as part of the application for an advance to be submitted to the United States.

AUTHORIZING THE APPROVAL OF THE REPORT ON
SEWERAGE AND SEWAGE TREATMENT
(INTERCEPTING SEWERS AND SEWAGE TREATMENT PLANT)
(Endorsed by Mayor Mario J. Vagge)
CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

WHEREAS, the City of Nashua accepted an offer from the United States Government for an advance for preparation of planning documents pertaining to a public work described as Report on Sewage Treatment (Intercepting sewers and sewage treatment plant); and

WHEREAS, Camp, Dresser and McKee, Consulting Engineers was engaged to prepare the planning documents for the aforesaid public work, and said architect and/or engineer has completed the documents and submitted them for approval; and

WHEREAS, the completed planning documents have been carefully studied and are considered to comprise adequate planning of the public work essential to the community and within the financial ability of the City of Nashua to construct;

Now, Therefore, be it resolved by the Board of Aldermen the governing body of said applicant, that the planning documents submitted by Camp, Dresser and McKee as the basis for detailed planning of the Report on Sewerage and Sewage Treatment (Intercepting sewers and sewage treatment dated July 7, 1958, in connection with Housing and Home Finance Agency Project No. N. H. 27-P-3006 be and the same are hereby approved; and that certified copies of this Resolution be filed with the Housing and Home Finance Agency.

RESOLUTION
AUTHORIZING HIS HONOR MAYOR MARIO J. VAGGE TO CONVEY CERTAIN REAL ESTATE ON DANIEL WEBSTER HIGHWAY IN EXCHANGE FOR REAL ESTATE ON SEARLES ROAD and OLD LOWELL ROAD

(Endorsed by - Ald. Maurice Noel)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to convey to Joseph Simoneau of Nashua in the County of Hillsborough and State of New Hampshire, the following real estate:

A certain tract or parcel of land situate on the Daniel Webster Highway, in Nashua, County of Hillsborough and State of New Hampshire, bounded as follows:

Beginning at a point at the southeast corner of lot on the westerly line of the Daniel Webster Highway; thence

Westerly four hundred fifty (450') feet more or less to a point; thence

Southerly three hundred (300') feet more or less to a point; thence

Westerly six hundred thirty (630') feet more or less to a point; thence

Northerly eight hundred (800') feet more or less to a point; thence

Easterly nine hundred (900') feet more or less to the westerly line of the Daniel Webster Highway; thence

Southerly by the westerly line at the Daniel Webster Highway, five hundred thirty (530') feet more or less to the point of beginning.

Meaning and intending to describe that portion of Lot #55—Assessor Farm Sheet "A" which lies westerly of the Daniel Webster Highway containing approximately 15.6 acres.

Be it further resolved:

That the City of Nashua receive in exchange from the above grantee the following real estate located in Nashua:

A parcel of land containing approximately 13.8 acres described as follows:

Beginning at the intersection of four stone walls which is approximately two hundred seventy (270) feet more or less westerly of the Old Acton Railroad bed, at a point two thousand one hundred twenty-seven (2,127) feet northerly of the intersection of said railroad bed with the New Searles Road; thence

Southwesterly and southerly one thousand one hundred three (1,103) feet by a stone wall and the property of the City of Nashua to a point; thence

Westerly by a stone wall one thousand sixty (1,060) feet more or less to a right angle in stone wall: thence

Northerly by a stone wall nine hundred thirty (930) feet more or less to a right angle in the stone wall; thence

Easterly by a stone wall six hundred thirty (630) feet more or less to the point of beginning.

Meaning and intending to describe Lot #62 on Assessors Farm Sheet "B"—said lot being westerly of the present Searles Road Dump land belonging to the City of Nashua.

A certain tract or parcel of land situate off the Old Lowell Road, beginning at the southwest corner of the lot at land now or formerly of Anne J. Osgood, said corner being approximately four hundred fifty (450) feet east of east line of Main Street; thence

(1) Northerly along the boundary line of Osgood and Simoneau, a distance of five hundred twenty-one and six tenths (521.6) feet to a stone bound; thence

(2) Northwesterly along the boundary line of Payne and Simoneau, a distance of approximately one hundred thirty (130) feet to a point; thence

(3) Easterly along the boundary line of Holmes and Simoneau, a distance of one thousand two hundred (1,200) feet to a point; thence

(4) Southerly to a point in the south boundary of Simoneau land; thence

(5) Westerly by the boundary line of land now or formerly of A. H. Chapman Co. and Simoneau, a distance of one thousand two hundred (1,200) feet to the point of beginning.

Excepting Lot #184 as shown on Assessor Sheet A., said Lot #184 being located on the west side of Dudley Street as projected.

Being a portion of the premises described in deed recorded in Volume 1369 page 181 Hillsborough County Registry of Deeds.

RESOLUTION
AUTHORIZING HIS HONOR, MAYOR MARIO J. VAGGE TO AFFIX HIS SIGNATURE TO THE COOPERATION AGREEMENT BETWEEN THE CITY OF NASHUA, AND THE NASHUA HOUSING AUTHORITY

(Endorsed by - Mayor Mario J. Vagge)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

That His Honor, Mayor Mario J. Vagge, be and is hereby authorized and empowered to affix his signature to the Cooperation Agreement between the City of Nashua and the Nashua Housing Authority, a copy of which is annexed hereto.

APPROVING APPLICATION FOR RESERVATION OF LOW-RENT PUBLIC HOUSING AND FINANCIAL ASSISTANCE AND AUTHORIZING COOPERATION AGREEMENT

WHEREAS, it is the policy of the City of Nashua to eliminate substandard and other inadequate housing, to prevent the spread of slums and blight, and to realize as soon as feasible the goal of a decent home in a suitable living environment for all of its citizens;

WHEREAS, under the provisions of the United States Housing Act of 1937, as amended, hereinafter called the "Act." The Public Housing Administration is authorized to provide financial assistance to local public housing agencies for undertaking and carrying out preliminary planning of low-rent housing projects that will assist in meeting this goal; and

WHEREAS, the Act provides that there shall be local determination of need for low-rent housing to meet needs not being adequately met by private enterprise and that the Public Housing Administration shall not make any contract with a public housing agency for preliminary loans for surveys and planning in respect to any low-rent housing projects unless the governing body of the locality involved has by resolution approved the application of the public housing agency for such preliminary loan; and

WHEREAS, it is the desire of the City of Nashua, that a Cooperation Agreement be entered into providing for the local cooperation required by said Act in connection with such low-rent public housing; and

WHEREAS, the Nashua Housing Authority (Herein called the "Local Authority) is a public housing agency and is applying to the Public Housing Administration for a reservation and financial assistance for the development of low-rent housing;

NOW, THEREFORE, be it resolved by the Board of Aldermen of the City of Nashua as follows:

1. There exists in the City of Nashua a need for such low-rent housing at rents within the means of low-income elderly families.

2. The application of the Local Authority to the Public Housing Administration for a reservation and financial assistance in connection with the said low-rent housing projects of not to exceed approximately 50 dwelling units and a preliminary loan of $10,000. is hereby approved.

3. That the Board of Aldermen of the City of Nashua enter into an agreement in writing, to be known as the Cooperation Agreement with the Nashua Housing Authority, substantially in the form attached hereto and made a part hereof and the proper officials of the City of Nashua are hereby authorized and directed to execute said agreement and to impress and attest the official seal on behalf of the City of Nashua on as many counterparts as may be decided necessary.

COOPERATION AGREEMENT

This Agreement entered into this day of , 1958, by and between Nashua Housing Authority (herein called the "Local Authority") and City of Nashua (herein called the "Municipality"), witnesseth:

In consideration of the mutual covenants hereinafter set forth, the parties hereto do agree as follows:

1. Whenever used in this Agreement:

(a) The term "Project" shall mean any low-rent housing hereafter developed as an entity by the Local Authority with financial assistance of the Public Housing Administration (herein called the "PHA"): excluding, however, any low-rent housing project covered by any contract for loans and annual contributions entered into between the Local Authority and the PHA, or its predecessor agencies, prior to the date of this Agreement.

(b) The term "Taxing Body" shall mean the State or any political subdivision or taxing unit thereof in which a Project is situated and which would have authority to assess or levy real or personal property taxes or to certify such taxes to a taxing body or public officer to be levied for its use and benefit with respect to a Project if it were not exempt from taxation.

(c) The term "Shelter Rent" shall mean the total of all charges to all tenants of a Project for dwelling rents and nondwelling rents (excluding all other income of such Project), less the cost to the Local Authority of all dwelling and nondwelling utilities.

(d) The term "Slum" shall mean any area where dwellings predominate which, by reason of dilapidation, overcrowding, faulty arrangement or design, lack of ventilation, light or sanitation facilities, or any combination of these factors, are detrimental to safety, health, or morals.

2. The Local Authority shall endeavor (a) to secure a contract or contracts with the PHA for loans and annual contributions covering one or more Projects comprising approximately 50 units of low-rent housing for the elderly and (b) to develop and administer such Project or Projects, each of which shall be located within the corporate limits of the Municipality. The obligations of the parties hereto shall apply to each such Project.

3. (a) Under the constitution and statutes of the State of New Hampshire, all Projects are exempt from all real and personal property taxes and special assessments levied or imposed by any Taxing Body. With respect to any Project, so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the PHA for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the PHA in connection with such Project remain unpaid, whichever period is the longest, the Municipality agrees that it will not levy or impose any real or personal property taxes or special assessments upon such Project or upon the Local Authority with respect thereto. During such period, the Local Authority shall make annual payments (herein called "Payments in Lieu of Taxes") in lieu of such taxes and special assessments and in payment for the Public services and facilities furnished from time to time without other cost or charge for or with respect to such Project.

(b) Each such annual Payment in Lieu of Taxes shall be made after the end of the fiscal year established for such Project, and shall be in an amount equal to either (i) ten percent (10%) of the Shelter Rent charged by the Local Authority in respect to such Project during such fiscal year, or (ii) the amount by which the real property taxes which would have been paid to all Taxing Bodies for such fiscal year if such Project were not exempt from taxation exceeds twenty percent (20%) of the Federal Annual Contribution actually payable with respect to such Project for such fiscal year, provided that if two or more Projects are covered by one contract with the PHA for annual contributions, the amount of the Federal Annual Contribution actually payable with respect to each Project shall be determined by pro-rating the total Federal Annual Contribution actually payable with respect to all such Projects in proportion to the development cost of the respective Projects, (iii) the amount permitted to be paid by applicable State Law in effect on the date such payment is made, whichever amount is the lowest.

(c) The Municipality shall distribute the Payments in Lieu of Taxes among the Taxing Bodies in the Proportion which the real property taxes which would have been paid to each Taxing Body for such year if the Project were not exempt from taxation bears to the total real property taxes which would have been paid to all of the Taxing Bodies for such year if the Project were not exempt from taxation; **Provided, however,** That no payment for any year shall be made to any Taxing Body in excess of the amount of the real property taxes which would have been paid to such Taxing Body for such year if the Project were not exempt from taxation.

(d) Upon failure of the Local Authority to make any Payment in Lieu of Taxes, no lien against any Project or assets of the Local Authority shall attach, nor shall any interest or penalties accrue or attach on account thereof.

4. The Municipality agrees that, subsequent to the date of initiation (as defined in the United States Housing Act of 1937, as amended) of each Project and within five years after the completion thereof, or such further period as may be approved by the PHA, there has been or will be elimination (as approved by the PHA,) by demolition, condemnation, effective closing, or compulsory repair or improvement, of unsafe or insanitary dwelling units situated in the locality or metropolitan area in which such Project is located, substantially equal in number to the number of newly constructed dwelling units provided by such Project; **Provided,** That, where more than one family is living in an unsafe or insanitary dwelling unit, the elimination of such unit shall count as the elimination of units equal to the number of families accomodated therein; and **Provided,** further, That this paragraph 4 shall not apply in the case of (i) any Project developed on the site of a Slum cleared subsequent to July 15, 1949, and that the dwelling units eliminated by the clearance of the site of such Project shall not be counted as elimination for any other Project or any other low rent housing project, or (ii)any Project located in a rural nonfarm area.

5. During the period commencing with the date of the acquisition of any part of the site or sites of any Project and continuing so long as either (i) such Project is owned by a public body or governmental agency and is used for low-rent housing purposes, or (ii) any contract between the Local Authority and the PHA for loans or annual contributions, or both, in connection with such Project remains in force and effect, or (iii) any bonds issued in connection with such Project or any monies due to the PHA in connection with such Project remain unpaid, whichever period is the longest, the Municipality, without cost or charge to the Local Authority or the tenants of such Project (other than the Payments in Lieu of Taxes) shall:

(a) Furnish or cause to be furnished to the Local Authority and the tenants of such Project public services and facilities of the same character and to the same extent as are furnished from time to time without cost or charge to other dwellings and inhabitants in the Municipality;

(b) Vacate such streets, roads, and alleys within the area of such Project as may be necessary in the development thereof, and convey without charge to the Local Authority such interest as the Municipality may have in such vacated areas; and, in so far as it is lawfully able to do so without cost or expense to the Local Authority or to the Municipality, cause to be removed from such vacated areas, in so far as it may be necessary, all public or private utility lines and equipment;

(c) In so far as the Municipality may lawfully do so, (i) grant such deviations from the building code of the Municipality as are reasonable and necessary to promote economy and efficiency in the development and administration of such Project, and at the same time safeguard health and safety, and (ii) make such changes in any zoning of the site and surrounding territory of such Project as are reasonable and necessary for the development and protection of such Project and the surrounding territory;

(d) Accept grants of easements necessary for the development of such Project; and

(e) Cooperate with the Local Authority by such other lawful action or ways as the Municipality and the Local Authority may find necessary in connection with the development and administration of such Project.

6. In respect to any Project the Municipality further agrees that within a reasonable time after receipt of a written request therefor from the Local Authority:

(a) It will accept the dedication of all interior streets, roads, alleys, and adjacent sidewalks within the area of such Project, together with all storm and sanitary sewer mains in such dedicated areas, after the Local Authority, at its own expense, has completed the grading, improvement, paving and installation thereof in accordance with specifications acceptable to the Municipality;

(b) It will accept necessary dedications of land for, and will grade, improve, pave, and provide sidewalks for, all streets bounding such Project or necessary to provide adequate access thereto (in consideration whereof the Local Authority shall pay to the Municipality such amount as would be assessed against the Project site for such work if such site were privately owned); and

(c) It will provide, or cause to be provided, water mains, and storm and sanitary sewer mains, leading to such Project and serving the bounding streets thereof (in consideration whereof the Local Authority shall pay to the Municipality such amount as would be assessed against the Project site for such work if such site were privately owned).

7. If by reason of the Municipality's failure or refusal to furnish or cause to be furnished any public services or facilities which it has agreed hereunder to furnish or to cause to be furnished to the Local Authority or to the tenants of any Project, the Local Authority incurs any expense to obtain such services or facilities then the Local Authority may deduct the amount of such expense from any Payments in Lieu of Taxes due or to become due to the Municipality in respect to any Project or any other low-rent housing projects owned or operated by the Local Authority.

8. No Cooperation Agreement heretofore entered into between the Municipality and the Local Authority shall be construed to apply to any Project covered by this Agreement.

9. So long as any contract between the Local Authority and the PHA for loans (including preliminary loans) or annual contributions, or both, in connection with any Project remains in force and effect, or so long as any bonds issued in connection with any Project or any monies due to the PHA in connection with any Project remain unpaid, this agreement shall not be abrogated, changed, or modified without the consent of the PHA. The privileges and obligations of the Municipality hereunder shall remain in full force and effect with respect to each Project so long as the beneficial title to such Project is held by the Local Authority or by any other public body or governmental agency, including the PHA, authorized by law to engage in the development or administration of low-rent housing projects. If at any time the beneficial title to, or possession of, any Project is held by such other public body or governmental agency, including the PHA, the provisions hereof shall inure to the benefit of and may be enforced by, such other public body or governmental agency, including the PHA.

10. In addition to the Payments in Lieu of Taxes and in further consideration for the public services and facilities furnished and to be furnished in respect to any Project for which no Annual Contributions Contract had been entered into prior to August 2, 1954, between the Local Authority and the PHA;

(1) After payment in full of all obligations of the Local Authority in connection with such Project for which any annual contributions are pledged and until the total amount of annual contributions paid by the PHA in respect to such Project has been repaid, (a) all receipts in connection with such Project in excess of expenditures necessary for the management, operation, maintenance, or financing, and for reasonable reserves therefor, shall be paid annually to the PHA and to the Municipality on behalf of the local public bodies which have contributed to such Project in the form of tax exemption or otherwise, in proportion to the aggregate contribution which the PHA and such local public bodies have made to such Project, and (b) no debt in respect to such Project, except for necessary expenditures for such Project, shall be incurred by the Local Authority;

(2) If, at any time, such Project or any part thereof is sold, such sale shall be to the highest responsible bidder after advertising, or at fair market value as approved by the PHA, and the proceeds of such sale, together with any reserves, after application to any outstanding debt of the Local Authority in respect to such Project, shall be paid to the PHA and local public bodies as provided in clause 1 (a) of this Section 10; Provided, that the amounts to be paid to the PHA and the local public bodies shall not exceed their respective total contribution to such Project:

(3) The Municipality shall distribute the payments made to it pursuant to clause (1) and (2) of this Section 10 among the local public bodies (including the Municipality) in proportion to their respective aggregate contributions to such Project.

IN WITNESS WHEREOF the Municipality and the Local Authority have respectively signed this Agreement and caused their seals to be affixed and attested as of the day and year first above written.

RESOLUTION

RESOLUTION ADOPTING AND APPROVING THE EXECUTION OF A GRANT AGREEMENT BETWEEN THE CITY OF NASHUA, NEW HAMPSHIRE, AND THE UNITED STATES OF AMERICA, CIVIL AERONAUTICS ADMINISTRATION, PROVIDING FOR FEDERAL AID IN THE DEVELOPMENT OF, AND THE OPERATION AND MAINTENANCE OF BOIRE FIELD

(Endorsed by Mayor Mario J. Vagge)

CITY OF NASHUA

In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight

RESOLVED, By the Board of Aldermen of the City of Nashua

Section 1. That the City of Nashua, New Hampshire, shall enter into a Grant Agreement for the purpose of obtaining Federal Aid in the development of Boire Field and such Agreement shall be as set forth hereinbelow.

Section 2. That Mario J. Vagge, Mayor of the City of Nashua, is hereby authorized and directed to execute said Grant Agreement, in seven copies, on behalf of the City of Nashua, New Hampshire, and Edward S. LeBlanc, the City Clerk of the City of Nashua, is hereby authorized and directed to impress the official seal of the City of Nashua, New Hampshire, and to attest said execution.

Section 3. That the Grant Agreement referred to hereinabove shall be as follows:

DEPARTMENT OF COMMERCE
CIVIL AERONAUTICS ADMINISTRATION
Washington 25
GRANT AGREEMENT

Part I - Offer

Date of Offer Sept. 11, 1958
Boire Field Airport

Contract No. Clca-3459-A

Project No. 9-27-017-5903

To: City of Nashua, New Hampshire
(herein referred to as the "Sponsor")

From: The United States of America (acting through the Administrator of Civil Aeronautics, herein referred to as the "Administrator")

WHEREAS, the Sponsor has submitted to the Administrator a Project Application dated November 18, 1957* for a grant of Federal funds for a project for development of the Boire Field Airport (herein called the "Airport"), together with plans and specifications for such project, which letter and Project Application, as approved by the Administrator, is hereby incorporated herein and made a part hereof; and

WHEREAS, the Administrator has approved a project for development of the Airport (herein called the "Project") consisting of the following described airport development:

Land acquisition, consisting of a perpetual easement and right of way for the installation, operation and maintenance of a hazard beacon on Parcel 5, as shown on Exhibit "A1" to the Project Application; taxi-way construction; installation of runway and obstruction lighting (the airport development to be accomplished herein described, is in addition to that contemplated under Grant Agreements between the Sponsor and the United States for Projects Nos. 9-27-017-901 and 9-27-017-502)

all as more particularly described in the property map and plans and specifications incorporated in the said Project Application;

NOW THEREFORE, pursuant to and for the purposes of carrying out the provisions of the Federal Airport Act (60 Stat. 170; Pub. Law 377, 79th Congress), and in consideration of (a) the Sponsor's adoption and ratification of the representations and assurances contained in said Project Application, and its acceptance of this Offer, as hereinafter provided, and (b) the benefits to accrue to the United States and the public from the accomplishment of the Project and the operation and maintenance of the Airport, as herein provided,

*Letter dated April 21, 1958, from Mario J. Vagge, Mayor, City of Nashua, New Hampshire

THE ADMINISTRATOR, FOR AND ON BEHALF OF THE UNITED STATES, HEREBY OFFERS AND AGREES to pay, as the United States" share of costs incurred in accomplishing the project, 50 per centum of all allowable project costs, subject to the following terms and conditions:

1. The maximum obligation of the United States payable under this Offer shall be $15,910.00
2. The Sponsor shall
   (a) begin accomplishment of the Project within a reasonable time after acceptance of this Offer, and
   (b) carry out and complete the Project in accordance with the terms of this Offer, and the Federal Airport Act and the Regulations promulgated thereunder by the Administrator in effect on the date of this Offer, which Act and Regulations are incorporated herein and made a part hereof, and

(c) carry out and complete the Project in accordance with the plans and specifications and property map incorporated herein as they may be revised or modified with the approval of the Administrator of his duly authorized representatives.

3. The Sponsor shall operate and maintain the Airport as provided in the Project Application incorporated herein.

4. The Administrator having determined that no space in airport buildings will be required by any civil agency of the United States for the purposes set forth in paragraph 9 of Part III of the Project Application, the provisions of the said paragraph shall be deemed to be of no force or effect.

5. Any misrepresentation or omission of a material fact by the Sponsor concerning the Project or the Sponsor's authority or ability to carry out the obligations assumed by the Sponsor in accepting this Offer shall terminate the obligation of the United States, and it is understood and agreed by the Sponsor in accepting this Offer that if a material fact has been misrepresented or omitted by the Sponsor, the Administrator on behalf of the United States may recover all grant payments made.

6. The Administrator reserves the right to amend or withdraw this Offer at any time prior to its acceptance by the Sponsor.

7. This offer shall expire and the United States shall not be obligated to pay any of the allowable costs of the Project unless this Offer has been accepted by the Sponsor within 60 days from the above date of Offer or such longer time as may be prescribed by the Administrator in writing.

8. It is understood and agreed that the typewritten language appearing in paragraph 3 of Part II of the Project Application be and the same hereby is deleted and that the following language be substituted in its place and stead:

   "title in and to Area A in fee simple, free and clear of any exceptions, encumbrances and adverse interests."

9. It is understood and agreed that paragraph 13(a) of Part III of Project Application be and the same hereby is deleted and that the following language be substituted in its place and stead:

   "13 (a) The Sponsor will acquire within a reasonable time, but in any event prior to the installation of a hazard beacon on parcel 5, as shown on Exhibit 'A-1' to the Project Application, a perpetual easement and right of way for the installation, operation and maintenance of such hazard beacon on said parcel."

10. It is understood and agreed that the typewritten language appearing in paragraph 13(b) of Part III of the Project Application be deleted and that the word "None," be substituted in its place and stead.

11. The Administrator, in tendering this Offer on behalf of the United States, recognizes the existence of an agency relationship between the Sponsor, as principal, and the New Hampshire Director of Aeronautics, as agent, created by agreement dated November 18, 1957, a copy of which Agency Agreement is attached to and made a part of this Grant Agreement, and the Sponsor agrees that it will not amend, modify or terminate said Agency Agreement without the prior approval in writing of the Administrator or his duly designated representative.

12. It is further understood and agreed that the United States will not make or be obligated to make final payment for the airport development to be accomplished under this project, unless and until the Sponsor, without Federal aid has accomplished the approach clearing described on the Construction Plans for this airport, approved by the Chief, Airports Division, Region 1, CAA, December 27, 1957.

The Sponsor's acceptance of this Offer and ratification and adoption of the Project Application incorporated herein shall be evidenced by execution of this instrument by the Sponsor, as hereinafter provided, and said Offer and acceptance shall comprise a Grant Agreement, as provided by the Federal Airport Act, constituting the obligations and rights of the United States and the Sponsor with respect to the accomplishment of the Project and the operation and maintenance of the Airport. Such Grant Agreement shall become effective upon the Sponsor's acceptance of this Offer and shall remain in full force and effect throughout the useful life of the facilities developed under the Project but in any event not to exceed twenty years from the date of said acceptance.

AN ORDINANCE
AMENDING THE BUILDING CODE

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

1. That subsection B3 (2) of Section 27A, Part 11A of Chapter VIII of the Revised Ordinances, be and is hereby amended by adding at the end thereof the following new subsection:

(d) If the work is to be done by the owner, said owner shall sign an affidavit, showing that he intends to live in said building for at least one (1) year.

2. That subsection C2 (1) of Section 27A, Part 11A of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said subsection and inserting in place thereof the following:

(1) General Requirements—As a minimum requirement, every residence building, institutional building, business building, or assembly building shall be provided with at least one water-closet and one lavatory or sink. Every residence building or institutional building shall also be provided with at least one bath-tub or one shower-bath. No water closet shall be located in a room or compartment which is unlighted and is not properly ventilated to the outer air. Minimum ventilation will be a window that will open or an automatic 6" fan and 5" duct to the outer air. Additional fixtures shall be provided, when necessary to meet the requirements hereinafter prescribed; provided that:

3. That subsection E7 (a) of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said subsection and inserting in place thereof the following:

(a) General—the run-off from roofs and paved areas may be drained into storm sewers, combined sewers, or private sewage disposal system, providing that entry into said storm sewers, combined sewers or private sewage disposal system is at least 10' outside of the foundation wall. When such drains are connected with combined sewers they shall be effectively trapped with the following exceptions;

4. That table 6 of subsection E8 (e) (2) of Section 27A, Part 11A of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said table and inserting in place thereof the following:

TABLE 6

HOUSE DRAINS, HOUSE SEWERS, AND HORIZONTAL SOIL OR WASTE PIPES

Diameter of Pipe in inches	Maximum number of fixture units
1¼"	1
1½"	2
2 "	6* (see below)
3 "	18
4 "	96

CITY OF NASHUA
In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight
AN ORDINANCE
AMENDING THE BUILDING CODE
(Endorsed by - Alderman Joyal)

BE IT ORDAINED, By the Board of Aldermen of the City of Nashua

1. That Subsection B3 (2) of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by adding at the end thereof the following new subsection:

(d) If the work is to be done by the owner, said owner shall sign an affidavit, showing that he intends to live in said building for at least one (1) year.

2. That subsection C2 (1) of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said subsection and inserting in place thereof the following:

(1) General Requirements—As a minimum requirement, every residence building, institutional building, business building, or assembly building shall be provided with at least one water-closet and one lavatory or sink. Every residence building or institutional building shall also be provided with at least one bath-tub or one shower-bath. No water closet shall be located in a room or compartment which is unlighted and is not properly ventilated to the outer air. Minimum ventilation will be a window that will open or an automatic 6" fan and 5" duct to the outer air. Additional fixtures shall be provided, when necessary to meet the requirements hereinafter prescribed; provided that:

3. That subsection E7 (a) of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said subsection and inserting in place thereof the following:

(a) General—The run-off from roofs and paved areas may be drained into storm sewers, combined sewers, or private sewage disposal system, providing that entry into said storm sewers, combined sewers or private sewage disposal system is at least 10' outside of the foundation wall. When such drains are connected with combined sewers they shall be effectively trapped with the following exceptions: (1) No trap is needed if system is water tested and extra heavy cast iron pipe is used, (2) No trap is needed on roof leaders and conductors, for which the roof or gutter opening is located 10 feet or more from a door, window or air shaft. One trap may serve for all such connections, but must be set below the frost line, or on the inside of the building.

4. That table 6 of subsection E8 (e) (2) of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said table and inserting in place thereof the following:

Table 6
HOUSE DRAINS, HOUSE SEWERS, AND HORIZONTAL SOIL OR WASTE PIPES

Diameter of Pipe in inches	Maximum number of fixture units
1¼"	1
1½"	2
2 "	6* (see below)

8 "	1150
10 "	2500
12 "	4200

*Whenever a water closet is installed, a 4" drain and a 4" vent or a 4" back vent is required.

5. That subsection F4 (2) of Section 27A, Part IIA of Chapter VIII of the Revised Ordinances, be and is hereby amended by striking out said subsection and inserting in place thereof the following:

(2) Water Test—The water test shall be conducted by closing all openings and filling the system completely with water under pressure equal to that exerted by a column of water at least five feet high in all parts. A licensed plumber must be present for the water tests, unless a permit is issued to the owner.

CITY OF NASHUA
In the Year of Our Lord One Thousand Nine Hundred and Fifty-eight
AN ORDINANCE
AMENDING THE BUILDING CODE
(Endorsed by Alderman Francis LaFlamme)

BE IT ORDAINED By the Board of Aldermen of the City of Nashua

1. That Section 7(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 7(a) Classification of Occupancies. For the purpose of this Ordinance, buildings are classified, with respect to occupancy and use, in accordance with the classification set forth in Article III, Section 300, of the 1955 Edition of the Recommended National Building Code in the National Board of Fire Underwriters which is hereby adopted.

2. That Section 7(b), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950 and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 7(b) Classification of construction. For the purpose of this Ordinance, construction as used in buildings is classified in accordance with the classification set forth in Article VII Section 700, of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters which is hereby adopted.

3. That Section 9(c), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled "Amending Chapter 3 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 9(c) Restrictions on construction within restricted areas. The restrictions on construction within restricted areas set forth in Article IV, Section 400, of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters are hereby adopted and made a part of this Ordinance.

4. That Section 10(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 10(a) Special occupancy requirements. Article III, Section

310 to 315 inclusive of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to special occupancy requirements is hereby adopted and made part of this Ordinance.

5. That Section 11(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 11(a) Height Restrictions. Article IV, Section 401, of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to height restrictions is hereby adopted and made part of this Ordinance.

6. That Section 12(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said Section and inserting in place thereof the following:

Section 12(a) Area restrictions. Article IV, Section 402 of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to area restrictions is hereby adopted and made part of this Ordinance.

7. That Section 13(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 13(a) Street encroachments. Article IV, Section 403, of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to street encroachments is hereby adopted and made part of this Ordinance.

8. That Section 14(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 14(a) Light and ventilation. Article V of the 1955 edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to light and ventilation is hereby adopted and made part of this Ordinance.

9. That Section 15(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 15(a) Means of egress. Except as otherwise provided by law, buildings hereafter erected or altered shall be provided with exit facilities in accordance with the requirements set forth in Article VI of the 1955 Edition of the National Building Code of the National Board of Fire Underwriters which are hereby adopted and made part of this Ordinance.

10. That Section 16(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

16. That Section 22(A), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 22(a) Safeguards during construction. Article XII of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to safeguards during construction is hereby adopted and made part of this Ordinance.

17. That Section 23(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," As approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 23(a) Elevators, moving stairways and amusement devices. Article XIII of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to elevators, moving stairways and amusement devices is hereby adopted and made part of this Ordinance.

18. That Section 24(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 24 - Lighting

(a) **When required.** Provision for artificial lighting shall be made in all those parts of buildings to which the public has access. Whenever natural light is inadequate.

(b) **Protection.** In all buildings except residence buildings, in which flammable materials are likely to come in contact with the flame, all open flames and incandescent mantle lighting appliances shall have approved substantial wire guards, screens or other devices to prevent setting fire to such materials.

19. That Section 25(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 25(a) Gas Piping. Article XIV, Section 1400, of the 1955 Edition of the Recommended National Building Code of the National Board of Underwriters relative to gas piping is hereby adopted and made part of this Ordinance.

20. That Section 26(a), Part IIA of Chapter VIII, of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 26 Shut-off Valves

(a) An outside valve shall be installed on every gas, vapor, or fluid service pipe regardless of size that supplies large stores or factories, or places of assembly such as churches, theaters, motion picture theaters, schools, and hospitals and on every such service pipe 2½ inches or larger in diameter and on every gas service where pressure exceeds 10 inches of water.

21. That Section 27(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Sections 27 **Openings around Pipes and Ducts.**

(a) Openings around conduits, Pipes, or ducts shall be filled with approved non-combustible material or shall be closed off by close fitting non-combustible material at the ceiling and floor line or on each side of the wall.

22. That Section 28(b) and (c), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 28(b) Methods and practices. All electrical installations shall be in accordance with the requirements of the 1956 Edition of the National Electrical Code, being the Standards of the National Board of Fire Underwriters for Electric Wiring and Apparatus, which are hereby adopted and made part of the Ordinance.

Section 28(c) Inspection. The provisions set forth in Article XV Section 1502 of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to inspection of electric wiring are hereby adopted and made part of this Ordinance.

23. That Section 29(a), Part IIA of Chapter VIII of the revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 29(a) Fire Extinguishing and Alarm Equipment.
(a) Construction. Fire Extinguishing Equipment installed in accordance with standards of the National Board of Fire Underwriters shall be deemed to conform to the provisions of this article unless inconsistent therewith.

24. That Section 30(a), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 30(a) Signs and outdoor display structures. Article XVI of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to signs and outdoor display structures is hereby adopted and made part of this Ordinance.

25. That Section 31(a) (b) and (c) Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 31(a) Roofing repairs. No roofing on an existing roof shall be renewed or repaired to a greater extent than 1/10 of the roof surface, except in conformity with the requirements of Article XVII, Section 1703, of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters.

Section 31(b) Chimneys, flues and smokestacks. Article XVII Section 1704, of the 1955 Edition of the Recommended National Building Code of the National Board of Fire Underwriters relative to chimneys, flues and smokestacks is hereby adopted and made part of this Ordinance.

26. Section 32(d), Part IIA of Chapter VIII of the Revised Ordinances, as inserted by Ordinance, entitled, "Amending Chapter 8 of the Revised Ordinances, 1950, and establishing a Building Code," as approved on May 13, 1953, be and is hereby amended by striking out said section and inserting in place thereof the following:

Section 32(d) Sale and use of dry cleaning liquids. The provisions set forth in Article 8 of the 1956 Edition of the Fire Prevention Code recommended by the National Board of Fire Underwriters relative to the sale and use of dry cleaning liquids are hereby adopted and made part of this Ordinance, except that the term "Chief and Chief of Fire Department," and except that reference to Article 15 shall mean Section 32(a) of this Ordinance.

REPORTS OF CITY DEPARTMENTS FOR THE YEAR ENDING 1958

REPORT OF THE BOARD OF ASSESSORS

December 31, 1958

To Mayor Mario J. Vagge,
Members of the Board of Aldermen.
Gentlemen;

The Board of Assessors herewith submit the annual report for the year 1958.

The Board of Assessors and staff include; Chairman Victor C. DuVarney, David P. Stevens and Joseph M. Sullivan. The staff includes, Louis Richard, clerk; Gladys M. Clement and Lois Moran, clerks.

The year 1958 found continued activity in all departments, with increased building, addition of new manufacturing plants and a large number of property transfers. The total valuation again reached a new high of $62,518,683, which was an increase of $1,612,457. This was not as large an increase as in 1957 due largely to a decrease in stock in trade of some of the larger manufacturing plants.

The Assessors mailed out 8,937 inventories to property owners, manufacturers, stores and others. This was an increase of 667 over 1957. Of the 8,937 inventories mailed out there were 7676 returned which was an increase of 511, evidence of the growth of work in the Assessors' office.

The State Tax Commission approved a tax rate of $59.40 for 1958, an increase of $4.50. A rate of well over $60 had been anticipated, due to the sizeable increase in the budget for 1958 but the increase in valuations kept the rate below the $60 mark.

Applications by Veterans for the $1,000 property exemption, granted under state law, again showed an increase, The total number of Veterans exemptions 2,153 which was 107 over 1957. The total amount of exemptions granted again reached a new high and totalled $2,166,860 or an increase of $106,585 above 1957. Poll tax exemptions granted Veterans was 5,013 again an increase of 69 above the 1957 figure.

The Assessors listed 16,573 persons for Poll Tax payments and 21,586 for Head tax payments.

During 1958 more than 1,600 property transfer deeds were copied from the Register of Deeds office. Work of taking of this large number of deeds entailed considerable work and it meant a similar number of changes and additions to our records as well as involving a large number of map changes.

Inspections of property again showed an increase with the Board of Assessors making 1480 inspections of property, including new buildings and buildings where additions or alterations had been made. This resulted in additional valuation figures or adjustment of valuations. The Board also checked a large number of pieces of property and in a large number of cases increased the assessment.

During the year the Board received 65 requests for abatements and made thorough investigation and inspection of these properties. The Board granted 35 abatements, a small number considering the large number of pieces of property on the assessment rolls. Included in the requests for abatements were a few where assessment had been made to the wrong owner and in these few cases corrections were made and re-assessed to the legal owner. The Board also corrected applications of ten Veterans, some of whom failed to give sufficient information in filing and made mistakes in listing dates they were in service. After proper correctons abatements were granted and the Veteran given the exemption to which he was legally entitled.

In addition to listing all property sales and making necessary changes in records, the office has continued to list all mortgages recorded and compiled information on manufacturing and business establishments.

The Assessors have again compiled a list of all tax exempt property, including land and buildings owned by the City, County, State and Federal governments, also property owned by churches, religious groups and charitable institutions. Tax exempt property for 1958 totalled $4,784,098, an increase of $1,127,388.

Additional revenue in the form of additional taxes for 1958 reached $8,909.82. This was added revenue resulting from places that opened business after April 1 and also from road building machinery used in turnpike construction. Revenue in the form of taxes on road building machinery was $4,223.34.

The Assessors assisted representatives of the State Tax Commission in an equalization survey both for real estate and stock in trade.

Work is continuing in renewal of maps, especially the rural sections of the city.

The books and records in the Assessors office are open for public inspection at all times the office is open. The office answered very many calls for requests for information regarding property owners, assessments, amount of taxes and other information. Many persons called in person at the office for similar information and to check maps and records.

It is with regret that the Assessors announce the resignation of Mrs. Gladys Clement, who has served the Assessors office faithfully for 29 years.

Respectfully submitted
Board of Assessors

VICTOR C. DuVARNEY
DAVID P. STEVENS
MICHAEL J. SULLIVAN

REPORT OF THE CITY SOLICITOR YEAR ENDING 1958

To His Honor the Mayor and Board of Aldermen
City Hall Building
Nashua, New Hampshire

Gentlemen:

During the year 1958, I performed to the best of my ability all the duties appertaning to my office as City Solicitor. Upon request I have drafted all resolutions, ordinances, contracts, deeds, leases, easements, written opinions and all other legal instruments affecting the City of Nashua.

I have prosecuted several civil actions brought by order of the City and have appeared in defense of all law-suits brought against the City and its officers in their official capacity.

All civil actions have been disposed of with the exception of the Ackley et. als. vs. the City of Nashua Zoning Board, Griauzade vs. the City of Nashua Zoning Board and City of Nashua vs. Harold K. Davison et. al. and Pennichuck Water Works.

I have also prosecuted criminal cases in Municipal Court whenever requested by the Chief of Police.

Respectfully submitted,
LEO R. LESIEUR
City Solicitor

Book Value December 31, 1958		$174,993.03

During the year the following work was completed:

Section "O" all walks were graded flush with the lawn grade, and seeded. This leaves sections N, and J to be regraded.

We have in the past had considerable trouble with cars hitting the faucets along the road in section "R," all these faucets have been set in about 4 feet from the roadway, and this should help to eliminate this trouble.

The section of fence from, and including the Main Gates, to the end on Edgewood Ave. was painted. This fence is about 1000 feet long, and by applying the paint with rollers we were able to do this at a considerable saving on labor costs.

There was no new work done in the old part of the cemetery this year, but the lawn that was put in, in 1957 came in very well, and has done much to beautify this part of the cemetery.

All roads were graded, and kept clear of weeds, and grass.

We removed 4 pine trees that had been struck by lightening, and were considered to be a hazard, as they had started to die, and rot, we also removed one deceased maple tree.

In working under the direction and guidance of the Bartlett Tree service we have started a tree ferterlizing program that will do much to help our trees to avoid desease, and also have better foliage. We have ferterlized about 75 trees this year, and will do about this many each year until they have all been done. We have some 387 trees in the cultivated part of the cemetery that we take care of.

All lawns were mowed, and cared for in the best manner, and with a wet season the lawns looked better than they have in past years.

During the season of 1958 we made 74 interments.

Respectfully submitted,
The Trustees of Edgewood Cemetery
JAMES L. BICKFORD, President
ALBERT A. DAVIS, Secretary

REPORT OF THE BOARD OF EDUCATION

President, DR. NORMAN W. CRISP
Clerk, JOHN T. DIMTSIOS

MEMBERS

Dr. William G. Caron	41 Chester Street	177 Main Street
Dr. Maurice E. Chagnon	Indian Rock Road	Zero Kinsley Street
Mrs. Marion Joyce	24 Charlotte Avenue	24 Charlotte Avenue
Mr. William J. O'Neil	53 Kinsley Street	53 Kinsley Street

Terms expire December 31, 1959

Dr. Norman W. Crisp	29 Berkeley Street	215a Main Street
Oscar N. Grandmaison	92½ Allds Street	92½ Allds Street
Thomas J. Grigas	54 Kinsley Street	54 Kinsley Street
John D. Wilcox	123 Palm Street	211 Main Street

Terms expire December 31, 1961

Judge Bolic A. Degasis	Robinson	135 Main Street
John T. Dimtsios	82 Ledge Street	21 Chestnut Street
Dr. Paul Dumaine	22 Fifield Street	258 Main Street
Dr. Frank Flagg	10 Taft Street	135 Main Street

Terms expire December 31, 1963

Board meets regularly the last Monday of each month at 7:45 p.m.

STANDING COMMITTEES

Instruction—Grandmaison, Degasis, Dimtsios, Flagg, Wilcox
Houses—Grigas, Dumaine, O'Neil, Dimtsios, Mrs. Joyce
Health—Flagg, O'Neil, Caron, Chagnon, Dumaine
Athletics—Wilcox, Degasis, Grandmaison, Caron, Dimtsios
Finance—Dimtsios, Wilcox, Grigas, Chagnon, Mrs. Joyce

ANNUAL REPORT OF THE BOARD OF COMMISSIONERS FOR THE FINANCIAL YEAR OF

1 9 5 8

CITY OF NASHUA, NEW HAMPSHIRE

TO THE HONORABLE MAYOR AND BOARD OF ALDERMEN:

Gentlemen;

The Board of Fire Commissioners herewith submits its Annual Report for the year of 1958.

The Board met on January 1st 1958 and organized by electing M. G. Riviere, Chairman; R. F. Girouard, Purchasing Agent and J. H. McLaughlin, Clerk.

OPERATING PERSONNEL

The operating personnel on the two platoon system of the Fire Department was as follows; Chief, Senior Deputy, Junior Deputy, 2nd Junior Deputy, Supt. of Fire Alarm, Master Mechanic, 7 Captains, 6 Lieutenants, 57 Privates and 23 Call Firemen.

FIRE APPARATUS

The following is a list of apparatus stationed in all Stations; 1—1958 Dodge, 1—1955 Ford, 1—1948 Dodge Fire Alarm Truck, 1—1956 Mack Engine, 1—1957 GMC FWD Engine, 1—1947 Mack Engine, 1—1958 Mack Engine, 1—1949 Mack Engine, 1—1958 Mack Engine, 1—1947 Mack Engine, 1—1957 Mack Engine, 1—1942 Maxim Engine, 1—1937 Chevrolet Engine, 1—1946 American-Lafrance 85' Aerial Ladder, 1—1925 Ahrens-Fox Ladder, 1—1925 Ahrens-Fox Ladder.

FIRE PREVENTION BUREAU

During the year of 1958 a total of 8,563 calls were made on inspections of dwellings, mercantile, manufacturing establishments, schools, churches,

orphanages, clubs, public places of assembly and new oil burner installations.

Accomplishments of the Fire Prevention Bureau are many but not without the cooperation of the various agencies placed at its disposal. We are grateful to the officials of the Nashua Police Department, Board of Health, State Fire Marshal's Office, State Labor Board and the Fire Underwriters both State and National for making this possible. We are grateful for the cooperation Extended this Bureau from the Officials of the various manufacturing plants, the merchants, the administrators of the institutions, the owners and occupants of dwellings in which recommendations have been made and carried out. To the Nashua Telegraph, Radio Stations WOTW and WSMN our grateful appreciation for the assistance given this Bureau in conveying our messages on Fire Prevention to the people of Nashua, N. H.

DRILL MASTER

The following is a report on Drills conducted by your Drill-Master for the period beginning January 1, 1958 to December 31, 1958.

16 Drills at Salmon Brook drafting with pumps, 8 drills with foamite, 8 drills with portable pump, 8 drills with ladders, 4 drills with Aerial ladder, 8 drills with siphon pump, 8 drills on television hazards, 8 drills with motion pictures on chemistry of fire, 8 drills with motion pictures how to get most out of fog, water and foamite, 9 drills with E & J Resuscitator, 8 drills using artificial respiration with back press arm lift, 8 drills using mouth to mouth method of respiration. 8 drills on bleeding and pressure points, 8 drills on bandaging, parts of body, 1 drill at St. Joseph's Hospital on use of hand extinguishers and 1 drill on evacuation of patients. 10 monthly drills for call firemen and 8 drills for call men at Meadowood Fire Department drill School held Sept. 13th & 14th sponsored by the N. H. Fire Chiefs' Club and State Permanent Firemen's Association. All members attending same received certificates for same. A total of 137 Drills were held during 1958.

FIRE ALARM SYSTEM

The Fire Alarm circuit in the Crown Hill section was rebuilt and other circuits in the City were extended to take care of the growth of the City. Twelve miles of wire were used as follows; the lines were extended south to near the State line and west on the East Dunstable road to beyond the Searles Road also west on the New Dunstable Road to the Conant Road also north and west on the North Hollis Road to Coburn Avenue.

A new 10KW Auxiliary generator was installed in Central Station and wired for automatic operation when the City electricity supply failed.

New radios were installed in all necessary cars and trucks also a new main station transmitter placed in the tower.

16 new street boxes have been put into service and also 6 private boxes have been installed making a total of 189 boxes in service in the City.

All Fire Alarm boxes have been frequently tested and the timing has been changed and speeded up on a majority of same.

Much time was spent with the Eagle Signal Engineers who were installing the new street signals. Ducts had to be cleared for them so that they could run their cable to the traffic signals.

Some overhead wiring was removed and placed underground, some box locations were changed and numerous changeovers on various poles were made due to the Public Service Co. and Telephone Company changing poles.

The Fire Alarm systems in all the schools have been tested and recommendations made for improvement of same.

Recommendations have been made to the Parochial Schools and Colleges for the needed protection and fire detection and alarm systems, also some churches. Some of the above places have already ordered this equipment.

Lake Street, Amherst Street and the Crown Hill Stations have been completely rewired and new lights and receptacles were installed where needed.

Respectfully submitted
Board of Fire Commissioners

M. G. RIVIERE
R. F. GIROUARD
J. H. McLAUGHLIN

ANNUAL REPORT - 1958
NASHUA CITY PLANNING BOARD

BOARD MEMBERSHIP

Appointed:

Abraham B. Slawsby	Term expires March 31, 1964
Robert J. Twombly	Term expires March 31, 1963
Joseph M. Kerrigan (Vice Chairman)	Term expires March 31, 1962
Phillip W. Pease	(Resigned May 1, 1958)
Richard W. Leonard (Clerk)	Term expires March 31, 1961
Charles A. Payer	(Resigned May 3, 1958)
Donald C. Calderwood	Term expires March 31, 1960
Edwin B. Stevens (Chairman)	Term expires March 31, 1959

Ex Officio:

Mario J. Vagge, Mayor
Antonio J. Joyal, Alderman at Large
Joel B. Hill, City Engineer

GENERAL PLANNING

The Planning Board made considerable progress towards its goal of developing a general or master plan for the city. In November, the Board adopted a "Preliminary General Plan" which contains many of the basic elements required by a more final proposal including a Land Use Plan, a Major Street and Traffic Circulation Plan, and Public Facilities Plan.

ZONING

In accordance with the requirements of the Zoning Ordinance, several proposals for zoning ammendments were referred to the Planning Board by the Board of Aldermen. In each of the following cases the Planning Board conducted a public hearing and recommended that certain changes be made.

1) Land in the vicinity of South Daniel Webster Highway and Spit Brook Road—change in use from "Suburban" to "General Business."

2) Land in the vicinity of Airport Road (2 cases)—change in use from "Suburban" to "Light Industrial."
3) Land in the vicinity of Harbor Pond—change in use from "Light Industrial" to "General Business."
4) Changes in the uses prohibited in Industrial Districts.

Recommendations made regarding changes in the use of land were based on the Land Use Plan contained in the Board's Preliminary General Plan.

STUDIES UNDERWAY

1) Traffic Planning—The Preliminary General Plan prepared during 1958 includes a Major Street and Traffic Circulation Plan which proposes solutions to many of the serious problems facing the city pertaining to traffic congestion in the central part of the city. Much work remains to be done with regard to the specific location of new routes, the provision for additional of-street parking facilities, and the solution to many lesser traffic problems. The Planning Board feels that, during recent months, it has established a good working relationship with the State Highway Department and that the resulting cooperation and coordinated planning efforts will be to the benefit of both the city and the state.

2) Open Space Planning—During 1958 the Planning Board initiated a study of the city's need for additional major parks, recreational land, and open space. Preliminary proposals are included in the Land Use and the Public Facilities Plans. Major recommendations call for the acquisition and development of land in the Salmon Brook area and of land between the Nashua River and Canal to provide adequate park facilities in the South and West sectors of the city.

3) Land Subdivision Ordinance—The Planning Board has prepared a first draft of a Land Subdivision Ordinance and Land Subdivision Regulations. The Board intends to present its recommendations to the Board of Aldermen sometime in 1959.

4) Old Age Housing—The Planning Board and the Housing Authority have initiated a joint study to select a site for the proposed 50-unit housing project for the elderly. It is hoped that final recommendations for a site will be made early in 1959.

5) High Street Project—Complete cooperation has been given to Mr. Braun, planning consultant hired by the city to complete the plans and application for the proposed High Street Redevelopment Project. A considerable amount of time has been spent to provide data required for submission to the Federal agencies responsible for approving urban renewal projects.

REGIONAL PLANNING COMMISSION

In October 1958 the Planning Board proposed to the Board of Aldermen and ordinance to create a Regional Planning Commission. The Town of Hudson has already voted to join such a commission if and when one is established. Other towns in the Nashua area would be urged to join. It is felt that such a Commission would be extremely helpful in coordinating the planning efforts of the various communities in the Nashua metropolitan area, especially where problems of mutual concern exist.

FINANCIAL STATEMENT

An appropriation of $5,905 was requested for 1958. The major portion of the amount was intended for a full time Planning Director. However, only $505 was included in the budget.

Appropriation	$505.00
Expenditures—N7—Office Supplies, including aereal photos	123.16
Unexpended Balance	$381.84

EDWIN B .STEVENS, Chairman
Nashua City Planning Board

REPORT OF THE BOARD OF HEALTH

Nashua, N. H.
December 31, 1958

To His Honor the Mayor and the Board of Aldermen:

Gentlemen:

REPORT OF THE BOARD OF TRUSTEES OF THE NASHUA PUBLIC LIBRARY

To Mayor Mario J. Vagge, the Board of Aldermen, and the Citizens of Nashua:

The Trustees of the Nashua Public Library present their 1958 annual report of the Library activities to which is appended the report of the Associate Librarian with statistics.

Over the years, we and our predecessors as Trustees have been ever mindful that a substantial portion of our assignment has been, in addition to overseeing the day-to-day administration of library affairs, to study carefully and to plan wisely for the requirements of the system in the reasonably foreseeable future. To this end we conducted a survey of library needs, drawing advice from the Librarian and his staff and from other sources of technical knowledge, principal of which has been the counsel furnished to us by Dr. Keyes D. Metcalf, Librarian Emeritus of Harvard University. This report was made public earlier this year.

The problem of library extension in Nashua is evident. A marked rise in population accompanied by extensive home building in what were formerly thought of as remote sections of the city has changed the population center of the city. The problem in so far as the Library is concerned is not new. As a first step to the solution of library extension, we concur wholeheartedly with the Librarian's recommendation that we acquire a mobile library. With this equipment our library service can be brought to those sections of the city we do not now reach. We shall ask the Mayor and the Board of Aldermen to approve our decision and to grant the necessary funds.

Devoted public service rerely makes the headlines, and it is with great regret that we accepted the resignations of our Librarian and Assistant Librarian, Forrest B. Spaulding and Christine Rockwood, respectively. We are indeed grateful to them for their large contribution to the growth of our Library and the Board feels confident that all who use our library service share our pride in the excellent reputation it continues to enjoy. It is with pleasure that we record our appreciation of the accomplishments of the Librarian and his staff.

Respectfully submitted,

FREDERICK H. DOBENS, Chairman
Board of Library Trustees

ASSOCIATE LIBRARIAN'S REPORT

To the Board of Trustees of the Nashua Public Library:

The Library Staff and I are gratified to report that 1958, the 91st year of public library service in Nashua was the busiest year in the history of our Library. A total of 226,843 books and other materials were borrowed for home reading in 1958 as compared to 211,823 in 1957 or an increase of 15,020.

Although these home reading statistics do not show the whole use made of the Library, they are a realible indication of the general demand for library service in Nashua.

Although the statistics are encouraging signs of continued use of our Library, there is no indication of the Library having attained the peak of its growth. Book capacity has been reached. The reading room which serves adults and teen-agers is inadequate. In addition, a division must be made between the routine of lending books and assisting patrons in finding information. Many programs, which represent our attempts at adult education, require meeting rooms and a small auditorium which are not provided for in the present building. I do not wish to labor the point. The Trustees' Report made public this year indicates only too clearly the inadequacy of the present building.

The acquisition of a Bookmobile in 1959 will help tremendously in the expansion of library services to those areas of the community which are far distant from the present Library.

DISCUSSION PROGRAMS

Our Great Books Program, initiated by Librarian Forrest B. Spaulding and Mrs. Leon Fay, continued to expand. Two new adult and one teen-age Great Books groups were organized, bringing the total to six. The participating membership meet regularly every second Tuesday or Thursday in the Children's Room or Trustees' Office and have retained their interest and enthusiasm.

The Library also organized and sponsored, with the cooperation of the New Hampshire Council on World Affairs, a discussion group on **American Democracy.** A Teen-age Discussion Group sponsored by the Library met regularly every second week. This group conducted two public panels during the year.

In addition to the latter, the Library, with the cooperation of the Nashua Council of Churches and His Excellency Bishop Matthew F. Brady of Manchester, organized an **Interdenominational Panel Discussion.** This was a large success and the Library plans to continue this project again in the new year.

FILM PROGRAM

In July this year we joined a film cooperative with other public libraries. This cooperative is administered by the Audio-Visual Office of the University of New Hampshire and makes available to us a large film library.

Films have long been a part of the services rendered by progressive public libraries. We have made some progress in making them a part of our general library service but because of the lack of an auditorium and personnel we have been slow to completely integrate the service. In spite of this, however, six regularly scheduled children's film showings were presented by the Library—five at the Crowley School, one at the Mt. Pleasant School,

and two at St. Joseph's Orphanage. The total attendance at these programs was 1,838. On occasion, we have had as many as 126 children packed into the Children's Room. Five scheduled adult and one teen-age film showings were presented, attracting an audience of 305. The largest adult audiences were attracted by music and travel films.

In addition to the above, the Library loaned seventy-four films to approximately forty organizations (Boy Scouts, church groups, service clubs, schools, etc.) with a total attendance of about 4,000.

Our film service is still being worked on and developed. We shall have to work with it longer before we shall be able to regard it as a fully established library service. I am pleased to say that very favorable progress has been made in 1958 toward this goal.

NATIONAL LIBRARY WEEK

The week of March 16 was set aside for the first nation-wide observance of National Library Week. I shall not go into a detailed description of our activities, but I do recall the especially successful Open House conducted by the Staff and Trustees; a fifth and sixth grade city-wide essay contest on the theme, **Why I Like to Read,** conducted by Miss M. Manning, and the many exhibits in the Library, arranged by the Staff.

The cooperation of the businessmen of the City was especially appreciated during the National Library Week. For example, the Nashua Telegraph and Public Service Company of New Hampshire gave us the use of their windows; the Downtown Merchants of Nashua gave us window space for posters and flyers; local florists kept us well supplied with fresh-cut flowers; local milk companies, the Young Adult Group of the Y.W.C.A., and the Boy Scouts distributed Library Week bookmarks and posters. Of special help was the full coverage given all events by Stations W.O.T.W., W.S.M.N. and the Nashua Telegraph. Mr. Frederick H. Dobens' editorial assistance and generious gift of many columns of the News was greatly appreciated.

It is on occasions such as this that one has the opportunity to acquire a more clearly defined picture of the esteem in which Nashua holds its Public Library. It will suffice to say neither the Staff nor I was disappointed.

GIFTS AND EXHIBITS

During the year, 275 books were presented to the Library. Limitations of space prevent me from listing the individual donors, however, their generosity was acknowledged when the gifts were made.

Special thanks is to be paid to the Champagne's Supermarket and the Indian Head National Bank for their sponsorship of the printing of two library booklists. We are also grateful to the Second National Bank for their supply of plastic book bags. Such gifts are, of course, especially appreciated.

Residents of the City contributed many interesting exhibits throughout the year. At this time we would wish to thank Mrs. Ralph Goodwin, Nashua Artists' Association; Mr. John Boutelle, Nashua Philatelic Society; Mrs. Walter R. Grant, Nashua League of Arts and Crafts; Mrs. Maurice E. Chagnon, Nashua Camera Club; Miss Natalie Roode; Mr. Calvin J. Libby, Jr.; Mr. Brian Truelove and Miss Beryl H. Smith for their contribution of materials and time in arranging exhibits.

Annual reports are at best sketchy outlines of activities. This is especially true this year because it has been the busiest we have experiencd and space does not permit detailed descriptions. I believe, however, that the interested reader will be able to discern from it a true picture of our over-all operation, our conception of library service, and the objectives at which our efforts are aimed.

I am pleased to conclude by assuring the Trustees that, after ninety-one years of public library service, the condition of the City Library is vigorous and in a period of substantial growth. For their unstinting support, I am deeply grateful. I desire especially to thank Mr. Spaulding for his wise counsel and professional direction and to thank the Library Staff for its loyalty and exceptionally hard work which has made possible this year of progress.

Respectfully submitted,

JOSEPH G. SAKEY
Associate Librarian

REPORT OF THE PARK-RECREATION COMMISSION

December 31, 1958, Nashua, New Hampshire

To His Honor, the Mayor, and the Board of Aldermen:

Gentlemen:

The Park and Recreation Commission respectfully submits its annual financial and activities report for the year 1958.

Respectfully submitted,

John W. Latvis, Chairman
Marion Fairfield, M.D., Vice-Chairman
George G. Goulet, Clerk
Marjorie deLong, Commissioner
I. Seymour Goodman, Commissioner

THE PARK AND RECREATION REPORT

Submitted by Raymond F. Lee, Director of Recreation
To: Park-Recreation Commission

The following is a report of the recreational activities directed by me and sponsored by the park and Recreation Commission during the year 1958.

SKATING

The skating season of 1958 was very good. We had several days of good skating and the rinks were operated at Little League Park, Marshall Street, Textile Field and Atherton Avenue. Several adults, as well as the children, took advantage of these rinks. Marshall Street had the greatest attendance.

PLAYGROUNDS

We operated thirteen playgrounds this season under supervision. They were situated at the following locations; Atherton Avenue, Belvedere, Fairgrounds, North Common, Palm Street, Rancourt Street, Shattuck Street, South Common, Sullivan Park, Temple Street, Textile Field, Erion Field and Charlotte Avenue. The last two named locations were new playgrounds which were instituted for the first time this year. New equipment was installed at both Erion Field and Charlotte Avenue. We also had playground areas at Greeley Park and at the Fields Grove Swimming Pool, where there are several pieces of equipment for the children to use.

Our regular playgrounds were supervised for a nine-week period. They were open daily from nine o'clock in the morning until four forty-five in the afternoon, Monday through Friday, and Saturday morning from nine o'clock until eleven forty-five. All of the playgrounds had a girl and boy attendant during these hours.

The playground's schedule was arranged so that all age groups could participate and be supervised. The younger children played bean bag, ring toss, dodge ball, horseshoes, singing games, stix, tag games, checkers, etc.

The playgrounds were equipped with the following pieces of apparatus; swings, slide, sand box, baby swing, see-saws, horseshoes, volley ball, basketball, badminton, ring toss, teeterall, etc. We have merry-go-rounds on the following playgrounds; Atherton Avenue, South Common, North Common, Belvedere, Textile, Temple Street, Sullivan Park, Rancourt, Charlotte Avenue, and Erion Field.

Basketall courts are available for the children on South Common, North Common, Atherton Avenue, Belvedere, Temple Street, Sullivan Park, and Textile Field.

We also have eight tennis courts available for the children as well as for the adults. These courts are located as follows; four courts at North Common, two at South Common, two at Arlington Street (Crown Hill). The children on the playground where these courts are available made good use of them.

In conjunction with our playgrounds program, we operated a playground baseball league. The boy attendant at the playground coached these teams. They taught the boys the fundamentals of baseball and instructed them in good sportsmanship. We had about one hundred and eighty-five (185) boys playing ball in this league. This league has been a great asset to our entire program, as it has given the younger children and the physically handicapped a chance to play.

For the girls, we had soft ball teams, volleyball and basketball teams. As only Belvedere, Atherton, Temple, Shattuck, South Common and Sullivan Park had teams, we did not have an organized league in these

sports but the girls visited the different playgrounds during the season to play these games.

The older boys had a basketball league. The league was limited to the playgrounds where a basketball court was available.

Every week, we had a special activity, such as the following;

Art Contest	Pet Show
Doll Show	Hobby Show
Doll Carriage Parade	Miss Playground
Song Contest	Playets
Pigtail Contest	Coloring Contests
Marble Contest	Parade
Amateur Contest	Rollerskating Contest
Minstrel Show	Basketball Foul Shooting Contest
Rope-jumping Contest	Scavenger Hunt
Races	A funny Costume Show
Bicycle Parade	Sport Day

The winners of these contests were presented a ribbon or a trophy. Our average daily attendance at our thirteen playgrounds was approximately fifteen hundred (1500) children. The largest attendance was at Atherton Avenue, with Sullivan Park and South Common running closely behind.

Previous to the closing of the playgrounds, we held the annual championship day at Holman Stadium. This year this program was sponsored by the Nashua Lodge No. 720 BPOE. This was the sixth annual championship day program. We had over four hundred boys and girls participating and representing the City's thirteen playgrounds. Mr. Albert Savage, Exhaulted Ruler of the Lodge, was the chairman of the day, and was assisted by members of the Elks, Park-Recreation Commission, and the playground attendants. In planning this program, I arranged it so that all age groups could participate. The program consisted of the following events; basketball foul shooting, horseshoes, races, ball throwing, ring toss, bean bags, checkers, and pie-eating contest. The winners of the events were presented trophys donated by the Elks. All participants were later treated to hot dogs, ice cream, and tonic donated by the Elks Lodge.

On the closing day of our playground season, we had our annual playground parties for the children. We had about twenty-two hundred boys and girls present at these parties held at the various playgrounds.

The members of the Park-Recreation Commission, Board of Aldermen, Elks, and citizens visited the playgrounds with me and served the children ice cream, lollipops, gum, candy, and ballons. (After the sweets, the children played games and prizes were awarded the winners.)

At Atherton Avenue, Chairman Latvis presented the playground trophy to Nathalie Silver and Edward Jean, the playground attendants, for having the largest attendance for the season. At the same time, the Youth Committee of the BPOE presented a check to Chairman Latvis to help in defraying the expenses of the parties. Others who helped in making these parties possible were Mr. Normand Jeannotte and Mr. Roger Duhamel.

HANDICRAFT

In conjunction with our playground program, we have our handicraft classes. This year the classes were under the supervision of Miss Judy Marion. The program proved to be very successful and interesting. The instructress visited the playgrounds in rotation on an average of about once a week. She taught the children to make interesting and worthwhile articles. The classes were so planned as to give all age groups a chance to make some article. These classes were also planned so that the children had a chance to develop ideas of their own and develop skill in handiwork.

Some of the articles made this year were baskets, painted trays, painted plates, bean bags, pin cushions, yarn dolls, felt animal toys, stuffed animals, gimp bracelets, gimp necklaces, felt and straw bags, napkin holders, pencil boxes, calendars, various sorts of jewelry, place mats, table mats, various leather articles, embroidery work, weaving, jewelry boxes, U. S. flower maps, pipe-cleaner art, book markers, pot holders, and colored wall plaques.

WADING POOLS

Our wading pools were very attractive to the youngsters especially during the very hot season. The pools were kept in good condition, having been cleaned every day by the attendants at the playgrounds. We have seven of these pools in addition to the pool at Greeley Park. The pools are located at Belvedere, Atherton Avenue, South Common, Textile, Sullivan Park, Temple Street, and a new one adjacent to the Centennial Pool on Sargent Avenue.

GREELEY PARK

Greeley Park is perhaps one of the most beautiful parks in our State. The park now has twenty out-door fire places which the public can use at no charge to them. In the vicinity of the fire places are picnic tables large enough to accommodate a family group. The fire places are in constant use all during the picnic season.

For the children at the Park, we have a play area equipped with baby swings, swings, slides, jungle jim, see-saws, etc. We also have a wading pool for the youngsters. There is a rest room and several lawn swings on the park for use by the general public. On the east side of the park, we have soft ball diamonds, which can be used for club outings, picnics, etc.

TENNIS CLASSES

This year we had our third organized tennis classes. We had fifty-six children registered and they were taught the fundamentals of tennis. These classes were held four nights a week at North Common, South Common, Crown Hill. Mr. David Kudzma was the instructor for these classes.

SWIMMING POOLS

The Centennial Pool proved to be one of the very busy spots during the summer. We operated the pool from ten (10:00 A.M.) to eight (8:00 P.M.) daily. Mr. Bernard Lavigne supervised the pool. He was assisted by four life guards. The matron, Mrs. Helen Desmarais, at the pool, rendered first aid and had charge of the checking facilities. I visited the pool on an average of twice a day. This pool has been a great addition to our recreational system both for the children and for the adults.

Fields Grove, our other swimming pool, proved also to be an attractive place for our citizens and it was a very busy place. Mr. Richard Bossie was the supervisor at this pool and he was assisted by four life guards and a matron. Mrs. Esther Booth was the matron again this year having been associated with us for eight consecutive years. She had charge of the bath house and rendered first aid when it was necessary.

The pools were operated for an eleven week period. The water at both pools was checked and inspected frequently by the local and State Board of Health. They found the water to be satisfactory.

The swimming classes this year were under the supervision of Miss Donna Fabric and Miss Constance Canfield. Miss Fabric served as instructor at Fields Grove and Miss Canfield was the instructor at the Centennial Pool.

SWIMMING PROGRAM

The 1958 Swimming Program was a most successful one from the point of view of enrollment, sustained attendance, and results accomplisher. Nine hundred and eighty-five (985) were enrolled in the program at both pools. This included children and the adults. This program was enthusiastically received by the children and also the adults who participated and the enthusiasm for the program must be commended. Lifesaving classes this year were larger. The interest was sustained right through to the end of what was a very rigorous training.

Aquatic Field Days were held at both pools with demonstrations of each of the steps in swimming and diving, demonstrations of swimming strokes by the adult groups and of lifesaving rescues and techniques by the lifesaving classes. The Nashua Kiwanis Club helped in defraying the expenses of these days.

DANCES

We again sponsored this year a dance where Miss Teenage was selected by a board of judges. These same judges also selected a Mr. Teenage. The judges were Mrs. John H. McLaughlin; Mrs. Shirley Biron, representing His Honor, the Mayor; and Mr. Ed Lecius, news and sports editor of Radio Station WOTW. The judges selected Miss Delores DiPietro as "Miss Teenager" and Leo Briand as "Mr. Teenager" at this dance.

BASEBALL

The Park-Recreation Ward League Baseball was continued this year and had a very successful season. This is the thirteenth season we sponsored this league to care for boys from sixteen to eighteen years of age.

The league consisted of approximately ninety-five (95) boys ranging in the ages of sixteen to eighteen years. The league is composed of the following wards; Ward 1, Ward 3, Ward 5 and 6, Ward 4 and 7, Ward 8, and Ward 9. This was a six-team league.

We equipped these boys with uniforms and supplied the bats, balls and the catcher's equipment. The only equipment the boys supplied was a glove and shoes. In a few cases, we supplied these to the boys who were financially unable to supply their own and showed an interest in the league. The winner of the season championship was Ward 4 and 7. The winner of the playoffs and the playoff champion was Ward 8.

This year for the fourth year, we sponsored the Babe Ruth Baseball League for boys twelve to fifteen years of age. This league was a great addition to our recreational system. We had four teams in this league, namely the Braves, the Dodgers, the Tigers, and the Indians. The season champions was the Tigers and the playoff champion also was the Tigers. This was a very successful season for the Babe Ruth Leaguers as there were about one hundred and thirty (130) boys registered in this league. These youngsters showed enthusiasm and interest that was remarkable. Again, we furnished uniforms, hats, balls, and catcher's equipment to these boys.

SOFT BALL LEAGUE

The girl's soft ball league completed their eighth season. We had one hundred and twenty (120) girls playing soft ball this past season. The league was made up of four teams; the Gold Sox, the Blue Sox, the Red Sox, and the Green Sox. The girls played fifty-two games during the season. The Red Sox team was the season champions. We supplied the girls with uniforms, bats, balls, and catcher's equipment. We also supplied gloves to many of the girls.

PERMITS

Our baseball and softball diamonds were in constant use during the season by the Minor League, Ward League, Girls' Softball League, Industrial League, YWCA League, and many independent teams. These permits are issued on a first come, first served, basis and there were no conflicts during the season.

Little League Park, I reserved exclusively for the Little League and issued a permit for the season to them. They played their entire schedule at this location.

Holman Stadium, I reserved for the High School, Junior High, Ward League, American Legion, Minor League, etc. I issued sixty-four permits for this area. This does not include the practice sessions held by the various teams.

Tennis courts located at North Common, South Common, and Crown Hill were used by the High School, Junior High, our own tennis classes, a few independent groups, and many individuals. I issued sixty-two permits for the use of these courts.

COMMUNITY BUILDINGS

The community buildings on Crown Hill and Lake Street were used constantly this past year. The buildings were used by the Arts and Craft Association, Boy Scouts, Girl Scouts, Boy Scout Leaders, Girl Scout Leaders, Physically Handicapped, Artists' Club, Barbershop Singer, Nashua Library Branch, Retired Railroad Workers, and several other community groups who held meetings from time to time during the year. The schedule was so arranged so that we did not have any conflicts at the buildings.

BANQUETS

The Park-Recreation Commission sponsored banquets for all of their leagues. Mr. Sweeney, who retired as Recreation Director, arranged for the Biddy Basketball League banquet for the boys and the Second Annual Biddy Basketball League banquet for the girls. The eighth annual girls' Softball League banquet was held at the Ladies of Charity Foyer on Kinsley Street. This banquet was held on November 6, 1958 and was attended by the Commission, Mayor Vagge, the team managers, all the players, and invited guests. The fourth annual Park-Recreation Babe Ruth Baseball League banquet was held at the Ladies of Charity Foyer on November 18, 1958. Again this banquet was attended by His Honor, Mayor Vagge, members of the Commission, managers of the teams, invited guests and of course the players. At all of these banquets, prizes were awarded for individual achievement awards, such as most valuable player, all around player, and most co-operative players.

These banquets were made possible by donations from industries, merchants, social and service clubs, and the annual softball game held at Holman Stadium between the Girls' All-Star team and the Aldermen, and also the workers at the Board of Public Works versus members of the Nashua Fire Department. The proceeds of this double header were used to defray the expenses for the banquets.

COOPERSTOWN, NEW YORK, TRIP

This year, for the first time, the Park-Recreation Commission approved a trip to Cooperstown, New York, to see the famous Baseball Hall of Fame. Arrangements were made for the use of Doubleday Field by the teams in order that they could play their final game for the season championship on this famous field. The players of Wards 7, Ward 9, and Ward 8 made this memorable trip to Cooperstown. In all, there were about thirty-seven (37) boys who made this trip. Wards 4 and 7 were allowed to make the trip because they were the season's champions. Ward 8 and Ward 9 were in-

volved in the playoffs and the final game was to be played in Cooperstown. The boys left Nashua at approximately 7:00 A.M. on August 26th. We proceeded by bus directly to Cooperstown, New York. Upon arrival at Cooperstown, we all went to the Cooperstown gymnasium where the boys changed from street clothes to their baseball uniforms and we proceeded to Doubleday Field for the championship game. This game was won by Ward 8, thereby declaring them the season's champion in the Nashua Ward League. Immediately after the game, we returned to the gymnasium where the boys were allowed the use of their indoor swimming pool. Everyone who used this indoor pool commented on its cleanliness and its modern facilities. An innovation was that the water contained in this pool was kept at a controlled temperature of approximately sixty-eight degrees. The boys swam to their hearts content and upon completing their swim, dressed for dinner. Our next stop was at a local diner where the boys had dinner. At the conclusion of dinner, we proceeded in a group to the Baseball Hall of Fame. I am sure that I do not have to elaborate further on this Baseball Hall of Fame as it is well-known and has been well publized through all the various news media. This Hall contains pictures, trophys, uniforms, and everything and anything that has to do with baseball and its greats. The boys entered the Hall of Fame at approximately 7:00 P.M. in the evening and stayed in the building visiting the shrine where the memories of the greats of baseball are enshrined forever. We boarded our bus and we proceeded to return to Albany, New York, where the boys stayed over for the evening. At Albany, New York, we stayed over at the famous hotel Wellington. The next morning the entire group was up bright and early, had breakfast, and boarded the bus for the return trip to Nashua at approximately 9:30 in the morning. We all arrived back in Nashua at appoximately 5:00 P.M. on August 27th. This entire trip was most informative, educational, and entertaining to all who participated. I would like to compliment, at this time, both singularly and collectively, the behavior of this group on the entire trip. I believe it is a compliment to the parents of these children for their wonderful behavior. They were the best mannered group that I have ever taken anywhere, and again I say it is a tribute to the parents, and not to the chaperons who made the trip. All were unanimous in saying upon their return that the memory of the trip and what they saw and what they did would stay with them for a long, long time. Further, it was the hope of the majority that in years to come similar trips might be taken by the youth of the City who will participate in various ward leagues and perhaps Babe Ruth League activities in the future. The cost of the trip and expenses were paid for from the donations of the industries, clubs and individuals who contributed to the supplement of our program. Again, I want to thank everyone who made this trip possible.

FILM

I wish to take this opportunity to advise everyone; individuals, groups, social and civic clubs, that the recreational activities and projects promoted by the Park and Recreation Commission are on sixteen millimeter colored film. This film is available for showing to anyone interested during the year. We have had many favorable comments on the film and the work done for the children by the Commission.

MAINTENANCE

It is readily understandable that a program such as ours with its many varied field locations, equipment, and buildings under its jurisdiction, that the importance of a maintenance division cannot be emphasized enough. The maintenance division of this department consists of approximately seven full-time men and as many part-time people as the needs dictate. To these men, my sincere congratulations for a job well done. They take care of the playing surfaces and areas throughout the City such as baseball fields, softball fields, tennis courts, and playground areas. Also, maintenance is per-

formed at both the Centennial and the Fields Grove swimming pools, the Arlington Street Community Building and the Lake Street Community Building, thirteen playgrounds as designated by the Commission, Greeley Park, and many small parks located throughout the City. Also, the spraying and improved trimming of trees on City property. All this maintenance is performed by the maintenance personnel of this department, and I want to compliment each and every one of them for their fine co-operation.

CONCLUSIONS

Many of our recreational projects, such as baseball, softball, etc., are carried on by the co-operation I receive from many individuals who give their services to these worthwhile projects. These men and women spend many hours with these boys and girls teaching them the fundamentals of the game and good sportsmanship. I am grateful to all of these people for their co-operation.

The extra activities sponsored during the year for the children such as the playground parties, the banquets, the Cooperstown trip, and extra trophy's we gave to the children, were paid from funds collected during the year from various groups. Those who helped us were the licensed clubs, social clubs, industries, civic clubs and several individuals. A large amount was raised from the City's Softball Game. To all of these we are grateful.

We collected one thousand four dollars and twenty-five cents ($1,004.25) during the season and spent the same amount. The following is a list of the activities we sponsored; playground parties at the close of the season for twenty-two hundred (2200) children, Cooperstown, New York, Trip, banquet for Girls' Softball League, one hundred and twenty-three (123) attended, banquet for Babe Ruth League, one hundred and twenty-seven (127) attended, banquet award baseball league, one hundred and twelve (112) attended. Extra trophys were awarded at the ward minor and softball league banquets.

The success of any program is dependent upon the co-operation of all groups concerned. I want to express my thanks to the members of the Park and Recreation Commission for their fine co-operation and assistance, and to all who in any way helped to make the recreational program of Nashua one of the very best for a city of its size.

Respectfully submitted,

Raymond F. Lee

REPORT OF THE POLICE DEPARTMENT

March 6, 1959

To the Honorable Mayor and Members of the Board of Aldermen.

Gentlemen:

The Police Commission of the City of Nashua herewith submits its report for the year 1958.

The annual appropriation to meet the expenses of the Department during the year 1958 amounted to $297,374.36. We expended $297,101.26 leaving a balance of $273.10.

In submitting our budget for the year 1958 the Police Department requested less money to operate with than was granted for the Department for the year 1957. The Commission submitted a budget of more than one thousand dollars less than for the preceding year and in seeking this reduction in funds it was without precedent by a major city department. This cut in our appropriations was possible without curtailing any of our services to our citizens. As a matter of fact, an additional cruiser was added to the Department, and ten more police boxes were placed in our rapidly developing outskirts so that the Department could provide better protection.

The Department turned over to the City Treasurer $12,236.00. A detailed breakdown of this amount is attached to this report and is marked Schedule "A".

The arrests for the year 1958 totaled 1834. Of this number 1792 were charged with a specific offense and 1386 were found guilty of the offense charged. A detailed breakdown is attached to this report and is marked Schedule "B".

The primary concern of this Commission is the ever-increasing number of accidents of all types within our community. An all-time high in fatal accidents was reached in 1958 with a total of 9 fatalities. This represents an increase of 6 over the year 1957. The total number of accidents for the year 1958 was 961 which represents an increase of 75 over the preceding year. The number of persons injured totaled 360 or an increase of 197 over the year 1957. This trend is true throughout the entire state. In 1958 there were 5771 personal injury and 100 fatal accidents which represents a marked increase over the year 1957 state-wide figures of 5430 personal injury accidents and 94 fatalities.

It is the duty of every law enforcement agency in the State to halt this marked upward trend in highway slaughter. No one community, alone, can accomplish this, but, with a concerted effort on the part of all agencies, and at all levels, a sharp reduction is possible. We have found the principal causative factors in accidents in this City are excessive speed, driving after drinking, inattention on the part of the operator, and cutting out of line.

This Department has always been "selective" in obtaining recruits to fill vacancies. Regardless of the number of vacancies existing at any one time we have never lowered our standards and we do not intend to. No consideration is accorded an applicant who simply needs a job or is looking for a sinecure. Recruits are selected who indicate a vital and enthusiastic interest in law enforcement as a profession and who are sincerely desirous of making a real substantial contribution to law and order. During the year 1958 this department processed 38 applicants and accepted 7. At this writing we have one existing vacancy and fifteen pending applications.

Because of the demands of the general public and their expectations of the manner in which police work should be performed, training personnel is a never-ending "must" for all police administrators. We doubt if there is any other occupation in the municipal structure that is more complex and varied as that of the police officer. Certainly no other group of men are

faced with the variety of assignments which have become routine to the present day policeman. The service demands that he shall be physically fit and mentally alert, and that his split-second decisions shall be correct ones.

The upward trend in major crimes committed in the United States continues. The traffic problem is greater this year than last. The automobile industry producing faster cars for our already over-crowded highways contributes a problem that seems to evade solution. Delinquency among children constitutes a problem that demands intensive interest, knowledge of causation and an effective program of control and prevention.

It is essential therefore that all men must be trained to meet and effectively and intelligently handle the obligations of his office. This Commission is aware of its responsibilities to the public and have carried out each year a training program designed to develop the full potential of our officers.

The benefits of this training program are reflected in the actions of two of our officers in the apprehension of three men attempting to burglarize a service station at 12:30 AM on November 30, 1958. One of the officers surprised the men during his routine check of this business establishment and captured an armed felon. The second officer, within ten minutes captured another one of the trio, also a convicted felon. The third man escaped . . . At 8:00 PM on April 24, 1958, an armed robbery of a variety store on the outskirts of the City was reported to the Department. At 9:15 P.M. as the result of personal description of the robber given the police by the victim, a resident of Philadelphia was taken from a southbound train. The money and gun was found on his person. On May 16, 1958, at about 6:30 PM a call was received at the police station reporting a young girl had been buried in a cave-in in a sand pit at the end of Haines Street. The police responded with the ambulance and recovered the child in an unconscious condition. The resuscitator was immediately applied and continued while the child was rushed to the hospital. This action saved the child's life and the grateful parents stated the following day "the police did a wonderful job."

The opportunity for specialized training was given Sergeant Eugene R. Tafe who was assigned to attend a course on "Accident Investigation" at Northeastern University during the month of June. This was made possible thru a grant of one hundred dollars made by the Esso Safety Foundation Scholarship.

Captain Philip J. McLaughlin was assigned to participate in a "Homicide Investigation" Seminar sponsored by the Kettering Institute, University of Cincinnati, Ohio, from November 8 to 15.

A complete roster of the Department is attached to this report and is marked Schedule "C".

Nashua's nattily attired School Crossing Guards have become a symbol of a community's interest in the safety and welfare of its children. Competent, they are stationed at strategic crossings throughout the City. Alert, they are constantly striving to protect our children from the dangers of a mobile society. Successful, no child has been injured at a supervised crossing. (A complete roster of the School Crossing Guards is attached to this report and is marked Schedule "D").

The members of the Auxiliary Police continue to render many man hours to the community without reimbursement of any kind. To them, this Commission extends its sincere thanks.

We wish to acknowledge the continued cooperation of the Mayor's office, the Board of Aldermen, the City Solicitor, the Municipal Court and the heads of the various departments with whom we come in contact.

Respectfully yours,
Nashua Police Commission
WALTER L. BARKER, Chairman
EUGENE F. McQUESTEN
C. HENRY O'NEIL, Clerk

Proposed Street between Underhill Street to Burke Street

The operations of the Public Works' Department for 1958 cost $601,462.00 which was 15% of the City's Budget for the year. This amounts to $15.00 per person for the year, for services of street maintenance and construction; sewer maintenance and construction; rubbish collection and

disposal as well as the purchasing and maintenance of the department's equipment, and all costs of administering the Building Code and the Zoning Ordinance. As the various aspects of the department's work is reported below, the total cost and the cost per capita will be indicated.

STREETS

Cost 1958 — $249,400.00 $6.20 per capita

The department has the responsibility of maintaining more than 136 miles of existing streets and roads within the city limits including traffic signs, tree removal, street sweeping in the summer and snow and ice removal in the winter. Each year new streets are accepted which have to be gravelled and surfaced. In an effort to resurface more of the existing streets in a more permanent manner, asphaltic concrete was applied to sections of Allds Street, Temple Street, E. Pearl Street, West Pearl St. and Chandler Street. This program was so well received that in 1959 it is planned to double the permanent paving program.

Many of the older streets in the city have become rough through age and constant patching. In the early summer of 1958, the department engaged the use of a "Heater Planer" which removed some of the unevenness from sections of East and West Hollis Street and Orange Street. These sections were then given an asphault pea stone treatment which improved the riding quality of the street considerably.

In addition to the funds included in the Department's Budget, the State Department of Public Works and Highways made available to the City $16,933.11 which was used to purchase asphalt and tar for the resurfacing program.

The following list indicates the volume of work that was accomplished in 1958.

The following streets were surfaced treated and graveled:

Acacia Street
Avon Drive
Bailey Street (portion)
Beasom Street (portion)
Brewster Street (portion)
Browning Avenue (portion)
Donna Street
Dover Street
Dublin Avenue (portion)
Durham Street (portion)
Echo Avenue

Summer Street & Kendrick Street
West Hollis Street & Elm Street
Whitney Street & Chandler Street

SEWAGE DISPOSAL

Cost 1958 — $102,630.00 $2.83 per Capita

Sewer construction in 1958 cost the City $66,000.00 or 10% of the department's funds. The cost of maintaining and replacing existing sewage system accounted for $46,000.00 another 9%. The preliminary engineering study to determine the interceptor system required to collect the sewage of the city and treat it before dumping it into the Merrimack River was completed and approved by the State and Federal Authorities. The City has been ordered by the State Water Pollution Board to remove all sewage from the Salmon Brook. It is now anticipated that the detailed construction plans will be completed in 1959 and that construction of the Salmon Brook interceptor and the Sewage Treatment Plant will be underway in late 1959 or early 1960. State and Federal Funds will be available to cover approximately 50% of this project.

The department is maintaining four sewage pumping stations at the present time. Three of these are in operation full time at Pine Street, Lund Road and Watson Street. The fourth is a flood control facility at the Bridge Street Bridge and is maintained for immediate use at all times in case of flood conditions.

RUBBISH COLLECTION & DISPOSAL

Cost 1958 — $152,314.00 $3.80 per Capita

The Board of Public Works inaugurated two changes in the rubbish collection and disposal operation in 1958. They purchased two new Rubbish Packers with 20 c.y. bodies. These trucks will carry 25% more rubbish

each trip they make to the disposal area. A Caterpillar Front End Loader was purchased and a Sanitary Land Fill Rubbish Disposal Area was established at the Lewis Pit off Haines Street. This location is much closer to the center of population that the formerly used Searles Road area. Much non-productive travel time is saved each day by having the more centrally located disposal area. In addition to the current savings, the hole in the ground, that was formerly a sand pit, will be filled and converted into usable land and turned over to the Park & Recreation Department for use by 1961.

The Department now uses six Rubbish Packers and Open Trucks when required, in collecting the rubbish, and a Traxcavator Front End Loader is used to maintain the disposal areas.

The Department maintains the Lewis Pit Disposal Area for public use Monday through Saturday with an attendant present at all times when the area is open. Two other areas are used for city trucks only when the collections are made in the immediate vicinity.

GENERAL

Oil Burner installed at Tool House replacing Coal Burning Unit.

Benches were placed along Main Street for convenience of shoppers.

Traffic Islands were constructed at Main Street opposite Railroad Square and Traffic Lights were installed.

Parking Meters installed in Police Parking Area—off Elm Street.

REPORT OF THE BOARD FOR THE EXAMINATION OF PLUMBERS

To His Honor the Mayor & Board of Aldermen
City of Nashua, New Hampshire
Gentlemen:

The Board for the Examination of Plumbers respectfully submits the Annual Report for the fiscal year ending Dec. 31, 1958.

The membership of the Board consisted of the following: Chairman Artemus Lovejoy, Master Plumber; Dennis F. Sweeney, Journeyman Plumber; Joel B. Hill, Secretary; Gerard Poliquin, Plumbing Inspector.

Five meetings were held during the year. At its January 29th meeting it was voted to hold two examinations per year in March and September respectively. Three examinations for Master's License were held and two passed. Five examinations for Journeyman's License were held and five passed.

There were thirty-eight Master Plumber Licenses and sixty-six Journeyman Licenses issued during the year.

A total of 452 inspections in 305 buildings were made during the year. Sixty plumbing law violators were investigated and corrected.

FINANCIAL STATEMENT OF THE BOARD
FOR THE EXAMINATION OF PLUMBERS FOR 1958
